Fifty Dollars Reward.

RANAWAY on Saturday night the 26th of last month, a Mulatto named CYRUS, about 21 or 22 years of age, five feet six or seven inches high, with dark bushy hair. He has served an apprenticeship with a millwright, and is a good workman. He stole from Popes Creek, the estate of Daniel M'Carty, Esq. in the county of Westmoreland, a small sorrel horse, a neat light saddle, not much worn, made by James Smock, Fredericksburg, and a snaffle bridle, with a variety of wearing apparel. He has for wife a maid belonging to general Lee of Stratford, and it is conjectured he will endeavor to secret himself in the neighbourhood of the City of Washington, in expectation of meeting with his wife. Whoever will apprehend the said slave and deliver him to me, shall receive the sum of fifty dollars; and I will also give a further reward of ten dollars to any one who may restore the horse and saddle.

VALUABLE

LAND for SALE.

FOR sale about 4500 acres of land belonging to the estate of Judge Mercer, deceased, and situated in the county of London, on the waters of Goose Creek; about 40 miles from Alexandria and the Federal City. A large portion of this tract is meadow ground, of good quality, and the soil of the high land is well adapted to every species of produce usually cultivated on land similarly situated in the upper country. Such portion of it as remains uncleared, affords an extensive and excellent range for stock of every kind. On one part of this land is one of the most valuable mill seats in the state. The supply of water is inexhaustible, and the mill could be erected immediately on the side of the public road leading from Winchester to Alexandria. It is computed that the number of waggons almost constantly travelling along this road, amount to at least 5 or 600. So that a ready market might always be had here, for a very considerable quantity of grain and hay.

'Tis deemed unnecessary to describe more particularly the many advantages of this tract of Land, as it is expected that all persons disposed to purchase, will first view the premises.

To accommodate purchasers the whole tract will be divided into lots of 4 or 500 acres each, with as much wood and meadow land to every lot as circumstances will admit. And it is believed that the whole 4,500 acres may be so laid off into farms of the above-mentioned size, as to leave in each as much wood and meadow land as would be desired.

The price and time of payment will be made known by the subscribers. Letters directed to John T. Brooke, Fredericksburg, or to James M. Garnett, Laytons, will be answered without delay.
