THE SUBSCRIBER,

Will Sell or Exchange

FOR approved lands near the Blue Ridge, a valuable tract of land in Northumberland County, two miles from the Court House and near the bank of the Potomac, containing 1263 acres. This tract is divided into two plantations on the one there is a brick dwelling house 50 by 22 feet conveniently divided, and two brick cellars 24 by 16 feet. A Framed house 20 by 16 feet designed for an Overseer, and other out houses.

The convenientcies of this place are equaled by few, and the prospect exceeded by none in the state.—The house is elevated on a high hill and commands an extensive view of the Potomac and the Chesapeak Bay. There is a Creek adjoining with the finest Fish and Oysters which terminates the flat land of this tract, that is navigable for hay craft, and affords an excellent landing place within half a mile of the house. On this part of the tract there is an excellent extra Apple and Peach orchard, and a variety of other fruit trees. It has a great sufficiency of Oak and Hickory timber, for the use of the plantation, besides a large quantity of timber, whether plantation there is a framed dwelling house 32 by 16 feet, and a few out houses, both of tenants generally have about them. The part of the tract is as well fitted for farming as any lands in Virginia. It is well watered, has a sufficiency of timber for use of fencing, and adjoining young peach and apple orchards.

As it is preferable that no person will make such a purchase without viewing the premises, all that is necessary to add is that Mr. Spence's Bill living thereon will shew the whole, as he is fully authorised to make sale thereof.

JAMES V. BALL.

N. B. Any person purchasing may be supplied with stock of all kinds necessary and sufficient for the plantation.
