FOR SALE.

I WOULD sell on reasonable terms, three or four hundred acres of Land, in the centre of my estate at Marlborough, on the Virginia side of the river Patowmac, about 45 miles below the City of Washington, and 13 distant from Fredericksburg; the whole constituting a very desirable situation for a substantial Farmer, on a moderate scale. This tract extends for length, from Potowmack river across the neck of Aeokeek creek—it has most beautiful situations on the river for a country seat; it has a fine Rock & Herring Fishery, and a landing that must be very valuable, as it is the only bold water on the Potowmac, that can be connected by land carriage with Fredericksburg. The soil is very rich, and it lies very well for cultivation, with a large bank of the richest shell marle—part of it is a most valuable firm marsh, from which 100 to 150 tons of good hay might be annually taken, a portion of this is ditched and drained for timothy. The improvements are an overseer's house, barn and negro quarters. If not before sold by private contract, it will be offered at public vendue on the 20th of May, on the premises, (the seller reserving a bid) deliverable in the fall. Mr. William Hay, the present tenant, will shew the premises to persons inclined to purchase.

VALUABLE

LAND for SALE.

FOR sale about 4500 acres of land belonging to the estate of Judge Mercer, deceased, and situated in the county of Loudon, on the waters of Goose Creek, about 40 miles from Alexandria and the Federal City. A large portion of this tract is meadow ground, of good quality, and the soil of the high land is well adapted to every species of produce usually cultivated on land similarly situated in the upper country. Such portion of it as remains uncleared, affords an extensive and excellent range for stock of every kind. On one part of this land is one of the most valuable mill seats in the state. The supply of water is inexhaustible, and the mill could be erected immediately on the side of the public road leading from Winchester to Alexandria. It is computed that the number of waggons almost constantly travelling along this road, amount to at least 5 or 600. So that a ready market might always be had here, for a very considerable quantity of grain and hay.

'Tis deemed unnecessary to describe more particularly the many advantages of this tract of Land, as it is expected that all persons disposed to purchase, will first view the premises.

To accommodate purchasers the whole tract will be divided into lots of 4 or 500 acres each, with as much wood and meadow land to every lot as circumstances will admit. And it is believed that the whole 4500 acres may be so laid off into farms of the above-mentioned size, as to leave in each as much wood and meadow land as would be desired.

The price and time of payment will be made known by the subscribers. Letters directed to John T. Brooke, Fredericksburg, or to James M. Garnett, Laytons, will be answered without delay.

The Arabian Horse

The Dey of Algiers.

ARRIVED on the 19th inst, in high health and spirits from Boston, to which place he was imported, and sent here to the care of John Mason, Esq. by his proprietor colonel Swan of Massachusetts, now in Europe.

He will stand the ensuing season, at my farm in Montgomery county, seven miles from this town and the City of Washington, and will cover at forty dollars the season (commencing the 1st of March) and one dollar to the groom, the money or an approved promisory note to be sent with the mare.

This beautiful animal was brought from Arabia in the year '98, at four years old, by the late grand bailiff Fromm, of Prussia, into that kingdom, and was purchased at the sale of the bailiff's studs, after his death, at Fehrbellen, in '99, lieutenant general Frederick baron of Diemar, by whom he was sent to Hamburgh to col. Swan, whence he was by that gentleman shipped to America; to attest which, and to prove him to be a genuine Arabian horse, original certificates are in my hands, and may at all times be seen.

The Dey is of full stature for his race, he measures exactly fourteen hands two inches and an half. His colour is nearly white, with a few brown spots dashed over his neck and shoulders. In figure and bone, it is believed, he will stand the test of the best judgment.—He is only eight years old the coming spring. He is of fine presence and carriage; and remarkably vigorous and active.

As it is the wish of his proprietor to display the merits of this horse in his colts—as early, and with as much certainty as possible, by his order, no more than fifty mares will be received this season.

I have excellent and extensive pasturage well fenced, adjoining the land, at two shillings and six pence per week. Grain and green clover will be furnished if desired, at moderate prices.—Great care shall be taken of mares, and every justice done them with the horse; but I will be answerable for no accidents or escapes. If gentlemen at a distance choose to send servants with their mares they shall be provided for on reasonable terms.

CHARLES C. JONES.

The Subscriber will sell by private contract, the following valuable property.

TWO Tracts of Land, in Culpepper county, Virginia, lying on Flat Run, near Rorman's ford, distant 28 miles from Fredericksburg, and 55 from the City of Washington. One tract contains 700 acres, the other 300; the soil of which is equal to any in the vicinity, and is more particularly productive of grass. They are separated from each other by a never-failing stream, which waters 200 acres of the best bottom land, a great proportion of which consist of mowing and grazing meadow. Of the 700 acres tract, 300 are cleared and in arable order, and 250 of the smaller tract are highly improved. The buildings on the latter tract are commodious, consisting of a roomy dwelling house lately erected, a kitchen, stables, servant's houses, all in good repair; near which are extensive and flourishing orchards of apples and peaches, and a large kitchen garden. On the other tract are an overseer's house, negro cabbin, &c. The situation as to health, agreeable society, and convenience to mills, both saw and grist, can be exceeded but by few places. They will be sold either together or separate.

Also, in the town of Alexandria, two elegant three-story brick houses, situated the one on King, the other on Columbia street, and 40 by 20 feet each. They are well calculated for private families, and are as well situated as any in the town, for the grocery and flour business.

Also, in the same town, five unimproved lots on King-street, and three on Patrick-street, which will be sold or leased, for any length of time, and about one mile from the same town, 9 3-4 acres of land, pleasantly situated on the Leesburg road.

He will also sell a handsome and commodious three story brick house, lately finished, in the City of Washington, on F street, not far from the branch bank, 28 feet by 40, occupied at present by the Secretary of State; and adjoining thereto, a good framed house, well calculated both for a family and retail store, there being a large store-room in front, and four other convenient rooms, with a kitchen and stable on the lot.

A framed house, two stories high, 26 feet by 20, on F. street, directly opposite the branch bank. The above houses are situated in by far the best improved and most pleasant part of the city.

The whole and any part of the above described property will be sold on such terms as will render complete satisfaction to purchasers For the lands in Virginia, on the payment of one third of the purchase money in hand a credit will be given for the residue, of one, two and three years, payable in three equal instalments with interest.

Fifty or sixty negroes will be taken in payment for a 7 part of it.

For further particulars, as to terms, apply to the subscriber or, in his absence to John Hewit, attorney at law, City of Washington, to Robert B. Voss, esq. of Culpeper, for the lands in Virginia; and to Henry Moor, esq. of Alexandria, for the property in Alexandria.
