Seventeen hundred acres of which are of the most valuable kind of low grounds on the river; between three and four hundred acres heavily timbered, the remainder is wavy high land extremely productive. A Valuable Farm for Sale,

In King George County & State of Virginia.

THIS Farm contains five hundred and thirty-five acres—about three hundred and fifty of which are cleared and divided into three fields with good inclosures;—it is situated on Potomac river, and bounded on the South East side for a mile and half by Rozier's creek, which affords a great abundance of fine fish and wild fowl, crabs, oysters, &c—thirty miles from Fredericksburg, forty four from Alexandria, and fifty from Washington City.

On this land are very extensive shell banks, exclusive of the advantages to be derived from these banks by the lime business, they are very favourable to the production of corn and wheat, and the soil inexhaustable; there are about sixty or seventy acres of this kind of land, and the balance that is cleared of an excellent quality, and a great number of springs of fine water; it can with certainty be classed among the most healthy situations below the falls of Potomac—indeed the natural advantages attending this place are innumerable.

The improvements are a two story framed dwelling house, sixty-four feet long, commanding a beautiful view of the creek and river; one other house intended for an office, twenty-six feet by eighteen with three rooms and a cellar in good repair; a large house, including a stable for eight horses, a corn house, carriage house, saddle and harness room, and a commodious granary above, and other convenient buildings on the Farm—a small orchard of well chosen apples and peach-trees—the yard and garden inclosed this spring with pales and railing—The whole plantation in good repair, and the land in a great state of improvement.

The terms of Sale will be made known by Mr Frances Whiting, who in a short time will be a resident of Berkley county, or by the subscriber on the premises.
