25 Dollars Reward.

RAN AWAY from the subscriber living in Gooch and county, on the 3rd Sept. 1803. A very likely negro man named SAM, who calls himself Samuel Commer—about 24 or 25 years old, of a yellowish complection, low but stout made; one of his upper fore teeth out, his dress chiefly of Virginia cloth with a plain durants short coat—he is very sensible, can read and write so as to be understood. The said Sam was taken up with a negro belonging to Mr. James, in Cumberland county, near Centreville, about 20 miles above Fredericksburg, and made his escape from the men. Sam had wrote passes for both of them, and as the negro that was brought home said they was aiming for George Town, from thence to Pennsylvania; he saws at the whip saw and is a very good house servant—he will endeavor to pass for a free man—he is guilty of forgery—he signed the passes, John Goodal, Henrico. I do desire all persons to endeavor to apprehend the said negro, as he may be very injurious to the country if not taken and punished for his behaviour. All reasonable expences paid for delivering him to me at home, or the above reward for confining him in jail so that I get him again.

A washing house meat house and dairy and in short every necessary improvement for the accommodation of a family, and a very fine collection of grafted and budded peach trees of the most approved kinds, chiefly from Princes nursery on Long Island, which are just beginning to bear. Nearly one half is in wood and timbered, and the residue arable and meadow land, of the latter, there are about 50 or 60 acres under the scythe and more may be easily laid down. MRS. KEETS
BOARDING SCHOOL.

ON Monday the first of August the ladies of Mrs. Keets' boarding school near Centre Ville Maryland, were examined in reading, English grammer, French, arithmetic and geography. Each young lady produced a specimen of her writing with questions and solutions in different and difficult rules of arithmetic. They read with a degree of animation which surprised and pleased the company, and equally evinced the attention of the teachers and their own application.

There was a number of persons present, all of whom professed themselves highly gratified by their prompt and accurate answers to the numerous questions proposed in English grammar and the French language. They concluded with a perfect explanation of the Geography of North America, particularly of the United States.

We whose names are undersigned were witnesses of the pleasing and animating scene, and declare that the utmost merit is equally due to Mrs. Keets, Mr. Paire and the young ladies.

James Shent,
John Dames,
Perry E. Noel,
John Thackett.

Centerville—August 12th, 1803.

Mrs. Keets and Mr. Paire, respectfully inform the ladies and gentlemen of Annapolis, and the public in general, that they will open a boarding school in that city on Monday January 2d, 1803, provided 25 ladies as boarders can be procured by subscription previous to the 20th of October next.

Mrs. Keets will teach reading, writing, the english grammar and needle work.

Mr. Paire will teach the French language, (latin and German if required) arithmetic, geography, astronomy, use of the globes and music.

If the above testimony of Mrs. Keets and Mr. Paire's abilities should not be considered as a sufficient recommendation, Mrs. Keets can produce a number of recommendatory letters from the parents and guardians of those young ladies she has had under her care, as vouchers of her strict attention to the morals, improvement and accommodation of her pupils.

Mr. Paire can also produce testimonials of his character and abilities. He is a German gentleman, educated at one of the principal universities in that country. He is of French extraction, and has resided a considerable time in Paris, which circumstance enabled him to understand and speak the French language as his mother tongue. He has been in the habit of teaching eight years and from the satisfaction he has already given flatters himself that he shall be deemed worthy the encouragement of the public.

Application may be made to Mr. Neth and Captain Thomas, Annapolis, or to Mrs. Keets ner Centerville, Maryland.

And whereas it appears by the books of this office, that more than fifty-thousand dollars in cents and half cents, have been so paid into the Treasury. I now therefore, in obedience to the said act, do hereby give public notice of the same.

United States of America.

Fifth circuit, Virginia district, May term, 1803.

Under a decree of the said court, We the commissioners will expose for public sale, on the premises, at 12 o'clock on Friday the 30th day of September next, *that valuable and extensive*

FARM,

CALLED Mount Salus, alias Millthrope, lying in Fairfax county on Difficult and Wolf Trap runs, containing by deed 550 acres, and by survey 673 acres. The mansion house is on a high healthy and agreeable situation, convenient to which are springs of good water—The house is 40 by 18 feet, two rooms on a floor, with a nine feet passage and stair case, two brick chimnies, with a fire place to each room, a piazza the whole length of the front, a cellar 40 by 18 walled with stone and divided into two apartments. There are several small buildings near the mansion house and garden. There are also a valuable merchant and grist mill, saw mill, distillery, miller's house and overseer's house. The mill house is 40 by 30, two stories high, half the lower story of stone, the other part framed work, and covered with shingles. There are one pair of Burr, and one pair of Cologne stones, three bolting cloths almost new, and one screen, all now in use in manufacturing wheat and grinding grist. The still house 40 by 30, one story high, walls of stone and shingled roof, the floors planked, the upper laid for malting grain, and troughs fixed round the whole house, constructed to carry water to every vessel which may need it. Three stills and one boiler can be worked to advantage in said house. The waters of Wolf Trap, on which the mill and saw mill stand, are constant streams. The situation for country custom, or purchasing wheat is exceeded by none in the county or neighborhood, not being more than 17 miles from Alexandria and 13 from George Town, where there are excellent markets for country produce of every description; and about 14 miles from the city of Washington. The land is fertile and productive, and the soil well adapted to received improvement from the use of plaister of Paris. There are upwards of 3000 pannels of fence on the land, about 160 or 170 acres of well timbered land belonging to the tract. There have been nearly 20 acres of timothy made, lying on Wolf Trap and Difficult runs, 50 acres more may be made at a small expence. This farm enjoys many natural advantages, which are unnecessary for us to mention, it being taken for granted that any person wishing to buy such property will avail themselves of the opportunity of viewing the premises previous to the day of sale.

The terms of which are, one third of the money to be paid on the day of sale, (at which time deeds will be made to the purchaser) one third in six months, and the other third in 12 months, with the interest accruing on the two last payments from the day of sale. A deed of trust will be expected to secure the last payments.

Some informality in the decree prevented the sale agreeably to the former notice. This defect being obviated by the parties, the property will most certainly be sold as now notified.

Captain James Wiley, residing near the land, will shew the premises, and also a plat of the survey, which is left with him for the information of those concerned. The title papers will be exhibited on the day of sale.
