Valuable Lands and Lots
FOR SALE.

I Will ſell, on liberal terms of payment, to accommodate purchaſers, the following Property, bequeathed to me, in truſt with power to ſell, by the late Mr. Thomas Dick, of Bladenſburg, viz.

THE valuable FARM which he had in his own poſſeſſion, and lands adjoining thereto, containing in the whole upwards of 1300 acres. Theſe lands are ſituated to the northward of Bladenſburg, on the Eaſtern Branch of Potowmak river, about three miles diſtant from that town, on a fine level road. From Bladenſburg to the City of Waſhington, by land, the diſtance is about four miles, and by water five; and the Eaſtern Branch is navigable for large craft to ſaid town. There is a great abundance of wood on the lands, and they are well watered in every reſpect; have a conſiderable quantity of rich bottom, ſome of which is already in graſs. The improvements on the farm are good, and the whole under good fences. Theſe lands can conveniently be laid off into three parcels, with improvements to each, and will be ſold together or ſeparately.

Part of a tract of Land, called Hills and Dales, lying in Montgomery county, on the north-weſt branch of the Eaſtern Branch of Potomak, about ſix miles from Bladenſburg, and about the ſame diſtance from Waſhington, containing 70 1-4 acres.

Part of another tract, called Crawford's Adventure, lying to the ſouth eaſt of Bladenſburg, nearly adjoining the town, and adjoining the lands of the late Richard Henderſon, eſq containing 160 acres all in wood. And 83 1-2 acres of valuable Marſh and low land, on the ſaid Eaſtern Branch, about half a mile below that town, and adjoining the ſaid lands of the late Mr. Henderſon.

The Houſe and Lot in Bladenſburg, on which the late Mr. Dick reſided, containing about ſix acres; this is one of the beſt ſituations in the town, is generally admired, and commands a very extenſive view. There is a good garden, ice-houſe, ſtable, and all other offices neceſſary for the accommodation of a private family, and the lot and garden properly incloſed, and all in good order. Should this houſe, &c. not be ſold previous to the 1ſt of December, it will then be to rent.

One other lot or parcel of ground, adjoining the town lots, near the above mentioned houſe, and contiguous to the reſidence of Richard T. Lowndes, eſq. containing 9 3 8 acres.

Alſo, Lot No. 7, in ſquare No. 704 in the City of Waſhington, being the north-eaſt corner of that ſquare, containing 9588 ſquare feet.

A further deſcription of the property is conſidered unneceſſary, as perſons inclined to purchaſe will doubtleſs ſatisfy themſelves by viewing the ſame. Mr John Hugh, at preſent reſiding in Bladenſburg, will ſhew the property, and the terms may be particularly known on application to him, or to

JOHN LAIRD, Truſtee.

N.B I hold 246 1.2 acres of Land, adjoining the above mentioned tract of Hills and Dales, which may be advantageous and deſirable for the purchaſer of the latter to have—and I will ſell the ſame on ſimilar terms.

LECTURES.

IN a ſcience ſo various and complicated as the preſent ſyſtem of the LAW, nothing which tends to facilitate the progreſs of the ſtudent can be deemed uſeleſs. It is with this view that the ſubſcriber propoſes to deliver during the winter, (and if ſuitable encouragement offers, annually)

A COURSE OF LECTURES,
On Education, Belles Letters, Compoſition, History and Law.

The ſubſcriber means to divide the ſame into two diſtinct courſes. The object of the diviſion is, that young gentlemen who are deſigned to fill ſtations in active life, diſtinct from thoſe of the learned profeſſions, may reſort to that courſe of lectures which will be delivered without a relation to the Law, which will be the ſole foundation of the other.

If the plan ſhould meet with ſucceſs, the ſubſcriber contemplates furniſhing, next winter, a handſome Library, for the uſe of ſuch gentlemen as feel deſirous of patroniſing the undertaking.

The municipal laws of each ſtate will then be provided—That ſtudents at law from any part of the United States will find it their intereſt to repair to the Metropolis, to purſue their ſtudies; where they will have the advantage of attending the Congreſſional debates.

The facility of acceſs which the houſes of Congreſs offer, is a circumſtance peculiarly advantageous to the ſtudent, and the youthful pleader, not only from the light which is thrown in the courſe of debate on controverted queſtions of law; not only to be derived from witneſſing the eager conteſts, the vigorous attacks, the wary methods of defence, exhibited by men of the moſt conſpicuous talents, rivals alike in abilities and intereſt but eſpecially from this conſideration, that the ſpeakers are, in general, exempted by the nature of their functions, from thoſe defects to which pleaders are peculiarly expoſed.

The Lectures will commence the firſt week in December next, and continue until twelve diſtinct Lectures in each courſe ſhall have been delivered.

The terms may be known by application perſonally, or by letters poſt paid to

Attorney at Law.
