To the merchants of the United States in general,

GENTLEMEN,

The subscriber solicits your patronage of a work he is about to publish (the title whereof is annexed) and which he flatters himself will be found of great public utility. The intrinsic merit he leaves to the event of public investigation; the test whereof he presumes to hope it will fully bear.

He does not pretend to the least innovation of that principle which has proved itself infallible in its operation, when conducted with method and terminated according to the rules prescribed therein; but his object has been to render the process perfectly easy to be understood and practised by youth; and that from prescribed, unerring, systematic rules, so defined and explained, as to admit of no difficulty in the commencement, no error in the process, and no embarrassment in the closure of books.

Although the title designates the work for the use of senior school boys, and youth intended for the mercantile line, yet the same is equally calculated for the instruction of adults not proficient in the system; and equally applicable to books of the first magnitude.

I am gentlemen,
Your most obedient servant,
THOMAS TURNER.

SUBSCRIPTION,

Systematic and unerring rules for the forming monthly statements of books, as well as those for opening, conducting, adjusting and closing them; with explanations of theory, and exhibitions of practise, rendered easy to the smallest capacity—And calculated to initiate them in the true principles, and to make them perfect in the rules by a little practice.

To which is added,

Rules for keeping Retail Books by double entry, without altering the process of single Entry in the Day Book or Journal for all sales of merchandize; by which *one half* the writing is saved, and the Ledger exonerated from items, and rendered a prompt and sure proof of monthly Balances and annual profits.

Also,

The most easy, concise and safe way of calculating any rate of per centum, and especially that of interest at six per centum per annum, exhibited by comparison.

The above system and prescribed rules have been examined and highly approved by the most judicious merchants; and above all, have been proved to be perfectly adequate to the professed object specified in the title, by the numerous trials that have been made. The author is no theorist—what he offers on the above subject is the result of thirty years actual experience as an accountant.

This lottery has been authorised by the legislature of Virginia, for the laudable purposes of erecting a seminary of learning in or near the metropolis of this state. With this view, it is contemplated to raise 20,000 dolls. and 2,500 dolls. in addition, for defraying the expences attendant on drawing the lottery. Citizens of the first respectability have been selected as trustees, and they have pledged themselves to use their utmost exertions to carry it into effect. The scheme has the advantage of giving to each adventurer, a chance for some very large prizes, whilst the proportion of prizes to blanks, is so great as to invite the friends of the intended institution to partake in the lottery, with very little risque of their becoming losers. The treasurer of the state is to be appointed to receive the money for the tickets as they are sold, and to pay the amount of the prizes to the fortunate adventurers. It is believed that the above considerations will induce a rapid sale of tickets, and the drawing will commence as soon as a sufficient number shall be sold to authorise it——which it is believed will be on the second Monday in December next.

The Celebrated ENGLISH Running HORSE

CLIFDEN,

WILL stand the ensuing season at the City of Washington, at THIRTY DOLLARS the season, which will commence on the 1st of March, and end on the 10th of August, but TWENTY-FIVE DOLLARS will be received in full if paid within the season, and a dollar to the groom. Good pasturage at fifty-cents a week, and the utmost attention will be paid to the mares, but there will be no responsibility for accidents or escapes. Notes of hand will be expected with the mares. Enquiries may be made at Mr. Rhodes's tavern, city of Washington, and at M'Laughlin's, George-Town. Clifden's half brother Tickle Toby, just imported from England, stands in Virginia at ten guineas a mare.

Clifden is a horse of uncommonly fine form, above fifteen and an half hands high, of a beautiful deep blood bay, and perhaps the strongest made thorough blooded horse on the continent. Large and powerful horses produce the only real good turf-horses.

PEDIGREE.

I Certify, that Clifden was gotten by Alfred out of an own sister to the duke of Queensbury's bay horse, Mulbery, which was gotten by Florizel out of sir James Pennyman's famous Matchem mare. Clifden was bred by the earl of Darby, and sold untried for 500 guineas.

ISAAC PICKERING.

Foxlease, Hampshire. 18, 1799.

A similar pedigree is given to Dr. Thornton by sir John Lade, who states that his royal highness the Prince of Wales presented Clifden to him: that he was a good sound horse, and won him some thousands on the turf.

ALLIANCE.

Alfred was gotten by Matchem. Rockingham's dam, Purity, by Matchem; Pumpkin, Maiden, Conumdrum, Ranthos, Riddle, &c. by Matchem.

Alfred's dam by Snap. Old Medlay's dam by Snap; Snapdragon (dam of Old Selima's) dam by Snap; Old Shark's dam by Snap, &c.

Clifden's dam by Florizel. Old Diomed (imported from England and now standing at sixty dollars a mare in Virginia) by Florizel.

Florizel by Old King Herod. High Flyer by old King Herod; Woodpecker (sire of Cormorant and Dragon) Magnet (sire of Dare Devil,) The famous running mare Muse, by King Herod.

Clifden's grand dam by Matchem: so that he possesses double close crosses of Old Matchem, which covered at 50 guineas a mare, for the nine last years of his life, twenty five mares by subscription, and died at 33 years of age! He was by Old Cade the best son of the Godolphin arabian. Thus Clifden descends immediately from the very best stock on earth, & his pedigree cannot be exceeded, indeed, scarcely equalled.

PERFORMANCES.

In the year 1792, at five years old, he won ten times out of his twelve first races, as may be seen by the racing calender, and was unequalled for eight years, except by Buzzard.

1. In 1792, Thursday, Aug. 2d, a sweepstakes made for Lewes, but run at bright elmston. wt. 12 st. 3 lb. 4 miles.

Mr. O'Kelly's b. m. Miss Windmill, by High Flyer, rode by himself, 1
Mr. Chichester's g. m. by King Fergus, rode by lord Barrymore, 2
Sir John Lade's, b. h. Clifden, by Alfred rode by himself, 3

2. Lewes, Aug. 9th, a match for one hundred guineas, 12 st. each.

Sir John Lade's b. h. Clifden rode by lord Barrymore, 1 2 1
Mr. Chichester's g. m. by King Fergus, rode by Mr. O'Kelly. 2 1 2

3. Newmarket, first October meeting, same year, sir John Lade's b. h. Clifden, by Alfred, 5 years old, walked over the Beacon course, on Friday the 5th, and received the 70 gs. Purse.

4. Second October meeting, same year, Monday 15th. Clifden carrying 9 st. 12 lb. beat sir Charles Bunbury's Playfellow, 4 years old, carrying 7 st. 8 lb. D. I. 50 gs. 2 to 1 on Clifden.

5. Same day he received 10 gs. from Mr. Chichester's Minister, 12 st. each, D. I. 25 gs.

6. On the 17th Clifden carrying 9 st. beat Mr. O'Kelly's Big Ben (imported by the name of Traveller into Virginia) by Eclipse, carrying 8 st. 3lb. both 5 years old 50 gs.

7. On the 19th Clifden beat the duke of Grafton's Prunella in a sweepstakes of 25 gs. each, 10 gs. st. and received forfeit from H. R. H. the duke of York's Fire; sir Charles Bunbury's Amelia; Lord Clermont's Heroine; Mr. Golding's Nameless.

8. On the 20th he beat Mr. O'Kelly's Slack across the Flat, 50 gs. 7 to 4 and 2 to 1 on Clifden.

9. On the third October, or Houghton, meeting, Monday 29th, he received 40 gs. from sir Charles Bunbury's Amelia, 100 gs. h. st.

10. Same day he received 25 gs. from H. R. H. the duke of York's Pyracmon. 100 gs. h. st.

11. Next day, 30th October, Mr. Montulieu's Halkin, by Jupiter, beat sir John Lade's Clifden. 100 gs.

12. November 1st. Clifden, 5 years old, carrying 8 st. 8 lb. beat Mr. O'Kelly's Excisemen, by Sweetbriar, aged, carrying 8 st. 4 lb. 50 gs.

The last race Clifden ran in 1792 was against the duke of Bedford's large horse Dragon, by Woodpecker. This was an astonishing race; each horse was rode by his owner, and carried 15 st. or 210 lb, over the Beacon course 4 miles and nearly a quarter, for 300 gs. Clifden was beat, but the duke of Bedford rode fifteen stone, and sir John Lade was obliged to carry about 5 stone dead weight, enough to kill even a good horse: Dragon never ran another successful race! Clifden, owned by the honorable Mr. Bowes ran the next year, & beat Mr. O'Kelly's br. g. carrying above 12 st. each, rode by the owners, over the new course, Lewes, for 100 gs. 5 to 4 on Clifden.

The duke of Queensbury's Mulberry, full brother to Clifden's dam, beat the following horses at Newmarket: Lord Darby's Sir Peter Teazle, over the Beacon course, for 500 gs. and his lordship has since refused six thousand guineas for sir Peter, as stated in a letter to Dr. Thornton in 1800. Mulberry also beat Lord Clermont's Collector, over the six mile course, for 300 gs.; likewise the Yellow mare, for 300 gs. B. C.; also Lord Clermont's Woodcock, D. I. for 200 gs. In a sweepstakes of 50 gs. each D. I he beat Lord Clermont's Woodcock 2d and Mr. Fox's Braganza 3d. In a sweepstakes of 300 gs. each, across the flat, he beat Mr. Bullock's grey Pumpkin 2d, and Lord Clermont's Osprey 3d. And in a sweepstakes of 100 gs. each, he beat the duke of Grafton's Oberon 2d, Lord Clermont's Woodcock 3d, and Mr. Vernon's Mufti 4th. Thus Clifden, besides being a capital runner himself, is altogether from the first rate running stock.

In a letter from Mr. Sturt, member of parliament for Dorsetshire, to Dr. Thornton, he says, "I know of four or five very promising colts of Clifden's get. One in particular of the honorable Lionel Dawson, another of Dr. Barnes's, and I have a yearling in my possession, which I think the finest colt of his age I ever saw. From having seen these (his first colts) I repent having parted with him, and would willingly re-purchase the horse."

Mr. Ringgold, at whose farm he stood in Washington county, Maryland, says Clifden's colts are the finest he ever saw, in every respect.

Clifden had only 50 mares in Virginia the season before last. The last season they saw his colts and he had 109. Col. Patterson, with whom he first stood, says no colts have been seen equal to Clifden's since the time of Old Janus.

I do hereby certify, That Clifden stood in Chesterfield county at my stable, that he is a remarkable sure foal-getter, and his colts are large and handsome.

Given under my hand this 30th day of January, 1804.
