Twenty Dollars Reward,

WILL be given for apprehending negro FAME a very low and tolerable lusty woman about 38 years of age, but from appearance older, very black and much marked with the Small pox which occasioned a small defect in one of her eyes, has lost one of her foreteeth, she is very artful and cunning, having procured a free pass, and passes by the name of Charity Shorter; she was formerly the property of John Chittens of this county, and was run away for near eight years, was apprehended and sold to me in 1803 and was hired by me to a certain Thomas King of Prince George's county, from whom she absconded in Oct. 1804 and has been lurking, I do suppose near where she was hired or gone to Calvert county where I have understood her husband has gone. The above reward will be given to any person who will lodge her in jail so that I get her again, or deliver her to Mr. Samuel Speake city of Washington, or to the subscriber living in Charles county Maryland, near Port Tobacco.

PUBLIC SALE.

CONFORMABLY to an order sued from the hon. court of Calvert County at September term last, the subscribers will offer at Public auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock,

A valuable Tract of Land

containing Four Hundred and Fourteen acres and Fourteen Perches.—This truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level, and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before) the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky.
