NOTICE.

By virtue of a decree of the high court of chancery of the state of Maryland will be sold at 12 o'clock on Friday the 17th day of January next at public auction on the premises. Two tracts or parcels of Land in Montgomery county called Magruders purchase and addition to resurvey on Magruder purchase, but lately distinguished by the name of "Fruit hills," containing by estimation two hundred and ninety five and one half acres. On the premises are tolerable buildings and an excellent orchard. The whole situated about five or six miles from the city of Washington and George Town, and has great facilities of communication in all directions.

The terms of sale are that the purchaser shall at his or her election either pay the purchase money on day of sale or on the day of the ratification of the sale by the chancellor which will not be less than five weeks nor more than six weeks from the day of sale, and will be notified in the newspaper where the sale is advertised.

NICHS. BREWER, Trustee.

N. B If the day appointed be a bad day the sale will take place the first fair day thereafter. N. B.

Twenty Dollars Reward,

WILL be given for apprehending negro FAMA a very low and tolerable lusty woman about 38 years of age, but from appearance older, very black and much marked with the small pox which occasioned a small defect in one of her eyes, has lost one of her foreteeth, she is very artful and cunning, having procured a free pass and passes by the name of Charity Shorter; she was formerly the property of John Chittens of this county, and was run away for near eight years, was apprehended and sold to me in 1803 and was hired by me to a certain Thomas King of Prince George's county, from whom she absconded in C. F. 1804 and has been lurking, I do suppose near where she was hired or gone to Calvert county where I have understood her husband has gone. The above reward will be given to any person who will lodge her in jail so that I get her again, or deliver her to Mr. Samuel Speake city of Washington, or to the subscriber living in Charles county Maryland, near Port Tobacco.

P. S. I forewarn any person from harboring or imploying said woman, at their peril.

MASOY SIMMS.

Twenty Dollars Reward.

AARON, a mulatto man about 43 years old, left the city of Washington early in October, and was seen on the road leading from Alexandria to Leesburg in company with a black woman, who I am informed is the property of some person in the vicinity of this place—he is about 5 feet 10 inches high, has strait hair, very bald in one of his eye brows (I think it is the left) near his nose, there is an indented scar occasioned by a stroke he received, which fractured the bone in that place, and whenever he has it in his power never fails to drink to excess. It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. The above reward will be paid to any person who will have him committed to jail, and give information thereof to the subscriber in George Town, district of Columbia.

Prince George County.

Pursuant to a decree from the court of chancery, I shall offer for SALE, at PUBLIC AUCTION, in the town of Piscataway, on Monday, the 3d of February next,

ALL the real estate, not heretofore sold, of Thomas Clagett, esq late of Prince George's county, deceased, to wit: that handsome well improved lot, in the town of Piscataway; 850 acres of rich fertile land part of several different tracts, commodiously adjoining each other, on Piscataway branch, near the tobacco warehouse, and on the navigation of Potomac river, well wooded, and a great proportion of rich meadow; it will be sold in one body, or in lots, as may best suit those who wish to purchase. The terms of sale are, that the purchaser or purchasers of the whole, or of any part, shall give bond, with approved security to the trustee for the payment of the purchase money, with the interest thereon from the day of sale, in four equal annual instalments. On the chancellor's ratifying the sale and on the payment of the purchase money and interest, and not before, a good deed to be given by the trustee to the purchaser or purchasers, and his, her or their heirs, for the and to him, her, or them sold, free, clear, and discharged from all claims of the heirs of the said Thomas Clagett.

THOMAS DUCKETT, Trustee.

Dec 23—ep

CONFORMABLY to an order issued from the hon. court of Calvert County at September term last, the subscribers will offer at public Auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock,

A valuable Tract of Land

containing Four Hundred and Fourteen acres, and Fourteen Perches.—— This truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before) the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

CENTREVILLE ACADEMY.

ON the second day of January next an academy will be opened in this place for the reception of students under the direction of the Rev. Mr. SNYDER, assisted by one or more Ushers.

This Gentleman has conducted different Academies for the space of several years past, with great credit; his department is consonant to his station, and to the accomplishments of the scholar he adds the happy facility of exciting in his pupils the symptoms of literary genius, and to cultivate their mental improvements.

In this institution will be taught the Latin and Greek Languages; the English Language grammatically; Geography, History, Elocution; the various branches of the Mathematics; Writing; Arithmetic and Book Keeping.

There are few places in our country more advantageously situated for an institution of this nature, than this. Its situation is very elevated and the air salubrious; and in the centre of a remarkably healthy neighborhood; the necessaries of life are cheap and may easily be procured. The strictest attention will be paid to the morals of the students both in and out of school.

The terms of Tuition will be; for the Latin and Greek Languages, including Geography, &c 25 DOLLARS; for the Mathematics 20 DOLLARS; for Reading, Writing, and Arithmetic, 14 DOLLARS per annum, paid quarterly in advance. A small contribution will be required from each pupil for the purchase of fire-wood.

FOR SALE.

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustable source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from several miles above this tract for which there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100,000 brick, well burnt which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises.

25 DOLLARS REWARD,

Will be given for apprehending a negro man named LEN—he is 37 or 40 years of age, 5 feet 8 inches high or thereabout, and of a very dark complexion, with short wool and cross eyes; he is also pockmarked and stammers very much; he formerly belonged to major Chew, living at the head of Herring Bay, who disposed of him to Mr. Wm. Campbell near Frederick-town Maryland; Dr. Manuel Kent who lives at Lower Marlboro, purchased him of Mr. Campbell and sold him to the subscriber.

LEN was seen during the months of April and May last, near Lower Marlboro and it is presumed that he is now near one of the abovementioned places. I will give FIFTEEN DOLLARS on his being secured in jail and information given to me, so that I may get him immediately, or the above reward if he be delivered to me at the Navy Yard in the city of Washington.

PHILADELPHIA IRON FOUNDERY.

THE subscriber has taken the Philadelphia Iron Foundery, situate in Southwark between Front and Second and Queen and Christian streets, for the conveniency of executing his own castings for his steam engines, &c. But proposes to execute any orders that he may be favored with in that line; either for engines, mill-works, sugar-Rollers, Rolling Slitting Mills Forge Work, Cranks, Gudgeons, Cogwheels, Kettles, Pans, &c in short all casting of iron, either in sand or loam——He wishes to draw the attention of millers to their own interest, by adopting for all the running geers of a mill, cast iron cog wheels, of spur and bevel geer, they will come cheaper in the first instance and last for ages. He means to have made by an experienced workman, a set of the most perfect moulds from which all the necessary movements for bolting reels and the machinery for merchant flour MILLS may be produced. He will undertake to assist in the arrangement of the suitable sizes of wheels to produce the proper motions, upon being informed of the number of revolutions per minute, and number of cogs in the wheel, by which the machinery is to be put in motion. He makes Steam Engines on his new and simple principles, for any purpose for which they may be wanted; their cost will be about half that of the old construction and consume less fuel. He keeps for sale as usual, Stone Coals, Burr Millstones, and bolting cloths of the best quality. Application to be made either at the Furnace or his Counting house, near the corner of Ninth and Market-streets.

NEW INVENTIONS.

JUST Published, and for sale by the Author, corner of Market and Ninth streets, Also by Jas. Cruikshank, John Conrad and Co. and P. Byrne, booksellers, Philadelphia, a new scientific work on the principle and power of steam, entitled,

The Abortion of the Young Steam Engineer's Guide;

(Price, for the first year, neatly bound and lettered, One Dollar and a quarter In Boards One Dollar.

CONTAINING,

An investigation of the principles, construction and powers of different Steam Engines.

I. A drawing and description of a steam engine on new principles and of a new construction, already in useful operation. It is much more powerful, more simple, and less expensive, requiring much less fuel, than engines on the old construction; and is application to every purpose for which power may be wanted from that of a man to one hundred horses.

II. Drawings and descriptions of four other patented inventions of useful machines, viz. 1 For breaking and grinding plaister and other hard substances. 2 For packing flour. 3 For cutting straw. 4. For removing earth to make turnpike roads, levelling land, &c.

III A description of a machine and its principles, for cooling water and making ice, in large or small quantities, to supply cities or private families, in hot countries.

BY OLIVER EVANS,

Of Philadelphia, author of the Millwright and Millers Guide.

The author conceives that he has laid down a new and true theory, and developed principles of nature that may lead to highly important discoveries and improvements; to the saving of many thousand dollars to those who use steam engines, to great improvements in distillation; to the navigation of the Mississippi, etc against the current.

☞ The author constructs steam engines, on his new principles, suitable for any purpose for which they may be wanted.
