One called the Valley Tract, containing about 1897 acres, lying about 3 miles from Leesburg. The other called the Green Hill Tract, lying on the Potomac river near the Blue Ridge and supposed to contain about 1940 acres. These Lands are to be sold for the purpose of raising the sum of about 6000 DOLLS. due from the said Thomas A. Diggs, to certain creditors in the decree mentioned. The subscriber and possessor of the above advertised Lands, thinks it proper to warn any person who may incline to purchase under the above decree (which was obtained in the most secret manner and totally unknown to him), that he will not give, or aid in any manner whatever, the procuring a title to perfect such sale of the Land; the attempt to which is a vague and ill tempered effort.

A BARGAIN.

THE subscriber offers for sale the farm he now occupies, containing near 300 acres with or without the stock thereon.

It is distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 50 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaster of paris answers well with it all. The dwelling house and other improvements may with small repairs, be rendered very comfortable—From its vicinity to two growing cities, many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper : the remainder rendered easy—or negroes received in payment. The subscriber or William Searsy residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or Dr. Wm. Thornton, Washington.

Isaac Polock,

Fruit Hill,

Some Lands calculated for the culture of cotton, Indian corn and small grain, situated on a navigable river in the healthiest part of the state of Georgia, will also be sold on reasonable terms or exchanged for negroes
