Treasury Department of the United States, June 21, 1806.

WHEREAS the commissioners of the Sinking fund, at a meeting held on the 28th day of April, 1806, did resolve, that the sum remaining to complete the expenditure of the annual appropriation of eight MILLIONS of DOLLARS, should among other purposes be applied to the reimbursement of the navy six per cent. stock, created in pursuance of an act of Congress passed on the 30th day June, 1798 and to the reimbursement of the five and half per cent. stock, created in pursuance of an act of Congress, passed on the 3d day of March, 1795.

This is therefore to give notice, that the principal of the said navy six per cent. stock, with the interest due thereon, will on surrender of the certificates be paid on the 1st day of October next ensuing the date hereof, to the respective stockholders or their lawful representatives or attorneys duly constituted and authorised, either at the Treasury, or at the Loan office, as the case may be, where credits have been given for the amount of stock, respectively held by them: and that the principal of the five and half per cent stock, with the interest due thereon, will in like manner, and at the same places, be paid on the 1st day of January, 1807, to the respective stockholders, or their lawful representatives or attornies duly constituted and authorised.

It is further made known, for the information of the parties concerned, that no transfers of the navy six per cent stock, either from or to the books of the treasury, or from or to the books of a Commissioner of Loans, will be allowed after the 1st day of September ensuing, nor of the five and half per cent. stock, after the 1st day of December ensuing. And the interest on all certificates of said stocks, which shall not have been surrendered, in pursuance of this notification, will cease and determine, on the day preceding the day hereby fixed for the reimbursement thereof.
