George Town, November 5 tf

I DISCOVERED a few day since (in the Telegraphe) a challenge by Samuel Norwood, esq Bonaparte against Democrat—

At Annapolis this fall, I proposed running Democrat against Bonaparte, carrying from 110 lbs to 140 at the discretion of Mr. Norwood; which was rejected. As Mr. Norwood refused the proposition made by me at that time, I am not bound to run the race proposed by him in the Telegraphe—Democrat will run Bonaparte over the Annapolis race course, on the third Tuesday in May next, four miles and repeat, for 1000 DOLLARS, play or pay, carrying 126lbs. each; which is the weight they are to carry by the rules of racing, both being seven years last spring—Should Mr. Norwood decline this offer, Democrat will cover mares next spring at the subscribers farm, from the first day of March until the first day of August, at Sixteen dollars each and Fifty cents for the groom. Democrat's pedigree is equal to the pedigree of any horse to be produced, having in him the blood of Medly, Eclipse, Figure, Dove, Godolphin, Arabian, and Mr. Tatkin's Silima.

If this proposition is approved of by Mr Norwood, notice will be given in the Maryland Gazette within forty days from the date hereof.

NOTICE IS HEREBY GIVEN.

THAT a Convention of the Medical and Chirurgical Faculty of Maryland will commence at Baltimore on the first Monday in June. The practitioners of Medicine and Surgery in the state of Maryland, are respectfully invited to attend. Those who have not been elected members of the faculty, will please to signify their wishes to the Secretary, or some other member, that they may be admitted at the opening of the convention, and take their seats immediately. Gentlemen who are candidates for permission to practice physic and surgery, in the state of Maryland, will please to attend at the session of the convention.

By an unanimous resolution at the last meeting of the faculty, the orator appointed in 1802 to have delivered an oration in 1803, was directed to deliver the same in 1805—indisposition having been deemed a sufficient apology for the non-performance of his duty at that time. The orator appointed for 1805, will, nevertheless, be expected to deliver his oration at the convention in June.

The censors of the counties, towns, and the cities of Baltimore and Annapolis, are earnestly requested to report to the convention (through the Secretary) the names, places of residence, and dates of commencement of practise of all the practitioners within their respective jurisdictions. The censors will feel the necessity of such a measure, when they reflect that there are many unlicensed practitioners infringing the law, and that without the rigorous execution of their duty, it must become a dead letter.

NATH. POTTER Sec. Med. and Chir. Fac. Maryland.

*** The editors of the Washington Federalist the National Intelligencer, the Frederick Town Herald, and of the Star at Easton, will confer a particular favor on the faculty of physic, as well as serve interests of science and humanity, by giving the above a place in their papers two or three times previous to the first Monday in June.
