CALVERT COUNTY.

Extract of a letter from a correspondent.

SIR,

"I have taken the libery of inclofing you a ftatement of the election in this County—The rain operated much againft us or we fhould have certainly elected the whole republican ticket by a large majority—Graham and his friends made the greateft exertions that were ever witneffed in this county, and entreated the people to vote for him, affuming the name of republican, and affecting all the moderation that the fallen ftate of federalifm would naturally point out—The federalifts could not have poffibly gotten three votes more in this upper diftrict, in which we have 25 decided characters that were not at the poll from the diftance of their abode and indifpofition, and I am credibly informed, that we have thirty friends in the middle diftrict that were not at the election.

This election is pofitive evidence of the robbery that was committed on this county laft year".

W. M'Garcand	310	I. Somervell	298
Dr. Somervell	305	T. Bourne	296

Major W. Thomas, the rebublican candidate for Congrefs, has a large majority over John Campbell—but his friends knowing the apathy of the republicans in Charles County, did not make thofe exertions that otherwife they would have done.

From Frederick county we learn verbally that the republican ticket triumphed by bold majorities.

Dr. *ARCHER* is alfo elected a reprefentative to Congrefs.

Both thefe gentlemen are republican.

The counties of Kent, Queen Anne and Talbot have elected republican reprefentatives in Affembly.

FOR CONGRESS.

In the part of the county attached to Washington and Allegany:

Gen. Daniel Hiefter (rep)	1593
Col. Elie Williams (fed)	890

In the part of the county attached to Montgomery:

Mr. Platter (fed)	1126
Mr. Magruder (rep)	1027

There can be no doubt of the election of Gen. Heifter from the 4th diftrict, & Patrick Magruder from the 2d to the Congrefs of the U. S. both friends to the prefent adminiftration.

The following is a correct return of the election in Anne Arundel county.

From all the information received, it is afcertained that five republican and one federal reprefentative to Congrefs; and thirty-five republican, and feven federal members of Affembly, are elected.

A decree has been iffued by the Batavian republic, fimilar to that iffued by the Firft Conful at Paris. It prohibits the importation into that country of Britifh goods, or fuch as are the produce of Britifh colonies, under fimilar penalties.

Extract of a letter from Londonderry, of the 16th of July, to a mercantile house in Baltimore.

"The union parliament has juft paffed an act for the regulation of paffenger fhips from the United kingdom, perhaps induced to it by motives of humanity; but it would appear to us from miftaken notions, or in mifinformation of the trade. An American fhip can only take a paffenger for every five tons burthens, after deducting for any merchandize that may be on board; there are other reftrictions and alfo penalties, fo that this act goes to annihilate the paffenger trade, as the price muft of neceffity be raifed beyond what the generality of emigrants from this place are able to pay.

"One caufe of the extraordinary demand the laft feafon for flaxfeed, was owing to the large quantity of flax exported from this port to Scotland. As this trade may not be continued until the next feafon, the demand for the feed will not be fo great."

Norfolk, October 1.

We learn from the paffengers arrived yefterday from Cuba, that the whole of the fouth fide of St. Domingo, except Aux Cayes, is evacuated; and that the white inhabitants throughout that Ifland are in the moft deplorable fituation. Flour has been as high as 60 dollars per barrel, in fome of the evacuated places.

Newburyport, September 23.

By the politenefs of a friend at St Lucia, we have been favored with the following Proclamation, iffued by the Commader in Chief of that Ifland, permitting American veffels to take fugars in part of their return cargoes.

PROCLAMATION.

By the Brigadier General Brereton, commander at St Lucie, August 24, 1802.

Whereas it has been reprefented to me by the principal inhabitants of this colony, that by a violent gale of wind, and a torrent of rain, on the night of the 12th inft. fome of the plantations of this Ifland fuffered to a moft alarming degree, by many of their plantations trees having been blown down, and the greater part of their ground provifion deftroyed, their negroes, and feveral of their works on their eftates have fuffered confiderably—and whereas it has alfo been reprefented, that a fcarcity of money prevails, and the commodities heretofore allowed to be exported, lumber and provifions to this ifland by veffels from the United States of America, are infufficient to provide for the preffure of the moment.—I do therefore, by the power and authority invefted in me for the purpofe of obviating thefe difficulties, and giving relief, now proclaim that all veffels belonging to the United States of America, fhall have liberty to receive Sugars in exchange for fuch commodities as they may bring to this Ifland, in addition to Rum and Molaffes, in the proportion of one half of the amount of their outward bound cargoes, and to export fuch fugars as the faid American mafters of veffels of the United States may exchange as above mentioned, from the date of this my proclamation to the 20th of November next, enfuing, when the exportation of fugars will revert to their former channel.—And the officers of his majefty's cuftoms of this ifland, and all others it may concern, are required to take notice of the letter and fpirit of this proclamation, and to govern themfelves accordingly.

Given under my hand and feal at the Moore Fortune, at St. Lucie 23d of Auguft, 1803.

(Signed)

ROBERT BRERETON.

TO SUBSCRIBERS.

Subscribers, either in arrears, or whose subscriptions soon become due, are respectfully requested to forward the sums due, should no earlier opportunity occur, by the representatives to Congress who will agree to undertake the agency.

It will be understood that a year's payment in advance is always required; and that papers not paid for will be discontinued.

This notice is given to prevent the unpleasant necessity of discontinuing papers at the present interesting period, when a Session of Congress, of, perhaps, unprecedented importance, is about commencing.

A CARD

H. O. HEBERT (from Philadelphia) folicits the attention of the citizens of Baltimore in general, and invalids in particular, to his "Air Pump Vapour Bath," a machine conftructed on true philofophical principles, the efficacy of which in gout, rheumatifm, palfy, contractions and enlargements of the joints, withered and enlarged limbs, cutaneous and many other difeafes, both chronic and acute, can be teftified by many refpectable perfons who have had recourfe to it.

This machine comprehends, and combines the application of fomentation and the cupping glafs, two of the moft powerful external applications for the removal of difeafe, and that on a plan more extenfive than was ever before known.

As many perfons who have never feen the apparatus might be deterred from ufing it, either from the reports of prejudiced perfons, or fear, they are refpectfully affured that its application is not attended with either pain or inconvenience.—It poffeffes all the good effect of warm bathing, without its attendant confequences, debility and relaxation; on the contrary, it invigorates and ftrengthens the whole fyftem, but particularly the part to which the machine is applied. Perfons defirous of further information refpecting the nature and effects of this machine, will pleafe to apply to the proprietor, at No. 3, Eaft ftreet, near the affembly room.

N. B. "The Air Pump Vapour Bath" is particularly adapted for the removal of all obftructions occafioned by violent colds, which are the forerunners of confumptions, &c.

Complaints peculiarly incident to females, which too generally baffle the remedies hitherto applied, and to which they frequently fall victims in the prime of life, are readily and effectually removed by the application of this machine.
