All that Lot of ground, being part of square No. 74, adjoining the Six Buildings, upon which several frame buildings are erected, one of which is large and well calculated for an extensive wet or dry good store, and the others with a small expence may be made to suit a family. This valuable property has a front of 86 feet on Pennsylvania avenue, and 140 feet front on 21st street.

Also,

Lots numbered 3, 4, 5, and 6, in square No. 38—the three first having a front of 28 feet 7 inches each, and the last 91 feet 1 inch, on Pennsylvania avenue; each lot is improved by a two story brick building intended for back buildings, but which may, at an inconsiderable expence, be rendered comfortable dwellings. A more particular description of those lots will be given on the day of sale, or at any time before, on application to me. Terms of sale to be for ready money, or money to be paid immediately upon the ratification of the sale by the Court of Chancery for the district of Columbia.

WASHINGTON TONTINE.

THE Subscriber, appointed by the Directors, agent for the sale of lots belonging to this institution has opened an office for that purpose in the third house from the west end of the Six Buildings, where he will attend every day from 3 to 5 o'clock in the afternoon.

The Lots are generally situate between George Town and the President's square between that square and the Capitol, and about the Navy Yard, and amongst them there are some water lots, equal to any in the city the terms of sale, cash, or short or long credit to suit purchasers; but in cases of credit, the punctual payment of annual interest, and of the principal at the period stipulated must be well secured. If this be done to satisfaction, the purchasers may almost name their own time of credit.

1500 DOLLARS REWARD.

HIGHWAY ROBBERY.

YESTERDAY about 11 o'clock in the forenoon, Mr. John Peter, an Officer of the BANK OF COLUMBIA, was stopped on horseback on the road between this town and Alexandria, and within about 2 miles of the latter place, by some unknown villain, shot through the body with a pistol, and robbed of a sum of money in his possession belonging to this Institution which he was taking to Alexandria, for the purpose of exchanging with the banks there.

The whole sum taken amounted Eighteen Thousand One hundred and Fourteen Dollars and Sixty five Cents, made up in several packages, among which were,

	Dol.	C
1 post note of the Bank of Virginia, for	800	
1 do. of the same, for	500	
1 do. of the same, for	500	
1 do. of the same, for	450	
1 do. of the Bank of Potomac in favor of Joseph Riddle by him endorsed to Washington Bowie, dated 6 July, 1805. No 117	149	65

A check of the Union Bank, on the Bank of Alexandria, drawn by R. Higinbotham, cashier, in favor of Greetham and Deveraux, by them endorsed and by Benj. Stoddert, and C. Smith, Teller.

There were also a parcel of post notes of the Bank of Alexandria for 100 dolls. and for 50 dolls. each. The remainder was in current notes, principally of the banks of Alexandria and Potomac, and some few of the Bank of Virginia of different sizes and denominations.

As the attack was sudden, and the wound received of a nature to deprive Mr. Peter instantly of his senses, (although it is now hoped he will recover) the description obtained may not be very accurate—as far as we are are informed, the man who perpetrated the act, is of middle stature, good countenance, and had a genteel appearance. He had on a dark blue or black coat, nankeen pantaloons, shoes, and a black hat, he was on foot and alone at the time, but may have had accomplices concealed, and will probably change his clothes.

FIVE HUNDRED DOLLARS will be given to any person or persons, who will detect and bring to conviction the robber; and ONE THOUSAND DOLLARS additional for the recovery of the whole of the money, or in proportion for any smaller sum recovered—should there be accomplices, and one of them make a discovery, so that it leads to the conviction of the robber, or to the recovery of the money he shall receive the above reward, and interest will be made to obtain his pardon.

It is probable that he has gone to Jefferson or Berkley county in Virginia, where he formerly resided, and from thence will endeavor to go to Kentucky. PENNSYLVANIA HOUSE

AND

MYER'S CITY TAVERN.

THE Subscriber respectfully acquaints his friends and the public in general that he has removed from his old tavern stand, to the adjoining houses on the Pennsylvania avenue, lately occupied by Mrs. Wilson as a boarding-house, and Mr. Woodward's tavern, in which he is now opening a Complete Hotel. This stand is probably not excelled by any in the city, either for the accommodation of travellers or boarders; being at a convenient and almost equal distance from the Capitol, the President's House, and Public Offices; near the Theatre, Messrs. Way's Printing Office, and Centre Market, opposite the office of the National Intelligencer, and adjoining Mr. Duane's book store. These houses contain twenty-six lodging rooms with fire places, exclusive of dining, bar, assembly, and coffee rooms, servants apartments, &c. The celebrated ridge spring, is conveyed in pipes to the yard of this hotel, where it supplies the whole neighborhood with flowing, cool water, to which the general health of this part of the city has in a great measure been attributed. The stabling of the hotel now erected is considerable; more however will be completed before the meeting of Congress.

I now beg leave to inform my friends with confidence, that my prices shall be as heretofore, corresponding with Pennsylvania tavern rates, and in proportion as my elbow room has increased my disposition to please shall be enlarged: I therefore respectfully hope the continuance of a share of the public patronage.

IRON WORKS

ON POTOMAC.

The Subscriber has for Sale or Rent, a good seat for a Furnace upon the North Branch of Potomac in Hampshire county, with plenty of ore already investigated at considerable expence and found to be good, a constant and sufficient stream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arrable to form a complete establishment. Connected with this may also be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the subscriber. It is conceived that these two seats are particularly worthy of the notice of Iron Masters of capital; as they are fully adequate to the supply of iron, in its various forms, to an extensive country, having great demand for that article, both above and below the Blue Ridge. The Hampshire property is free from every incumbrance, and the payment of a very few thousand dollars due to the proprietor of the fee simple at the Great Falls (my lease of which is for upwards of 900 years at a low rent) for rents in arrears prior to my purchase, will render this property clear; and afford a complete establishment for all the various manufactures of Iron, as well as for mills, with a convenient farm, &c. &c.

I have seats equally eligible (if not superior) for furnace and forge, upon the river Shanandoah in this county, with ore, wood, and water, all convenient and abundant; which may be rented for a long term of years, with rich farming land attached thereto.
