A BARGAIN.

THE subscriber offers for sale the farm he now occupies, containing near 300 acres with or without the stock thereon.

It is distant from the cities of Georgetown and Washington, about five miles, and well known as a healthy situation. There is much fine fruit thereon, and abounds with springs, affording as good water as in the United States, a considerable proportion of the land has been in clover, and from thirty to forty acres fit for the scythe the ensuing summer. It is now in a very improving state, being altogether clear of broom sedge, and from 40 to 50 acres ploughed and prepared for a spring crop, and from 30 to 40 acres well set with wheat and rye—some part of the land is calculated for tobacco; and plaster of paris answers well with it all. The dwelling house and other improvements may with small repairs, be rendered very comfortable—From its vicinity to two growing cities many advantages result in supplying the markets. A purchaser may calculate on a good bargain, particularly if an early application be made. Some part of the purchase money will be required in cash or approved negotiable paper; the remainder rendered easy—or negroes received in payment. The subscriber or William Scarfy residing on the farm will shew it when required, and the terms made known by application to *Mr. John Thompson*, George Town, or Dr. WM. THORNTON, Washington.

Isaac Polock,

Fruit Hill,

Some Lands calculated for the culture of cotton, Indian corn and small grain, situated on a navigable river in the healthiest part of the state of Georgia, will also be sold on reasonable terms or exchanged for negroes
