Valuable Lands and Lots

FOR SALE.

I Will sell, on liberal terms of payment, to accommodate purchasers, the following Property, bequeathed to me, in trust with power to sell, by the late Mr. Thomas Dick, of Bladensburg, viz.

THE valuable FARM which he had in his own possession, and lands adjoining thereto, containing in the whole upwards of 1300 acres. These lands are situated to the northward of Bladensburg, on the Eastern Branch of Potowmak river, about three miles distant from that town, on a fine level road. From Bladensburg to the City of Washington, by land, the distance is about four miles, and by water five; and the Eastern Branch is navigable for large craft to said town. There is a great abundance of wood on the lands, and they are well watered in every respect; have a considerable quantity of rich bottom, some of which is already in grass. The improvements on the farm are good, and the whole under good fences. These lands can conveniently be laid off into three parcels, with improvements to each, and will sold together or separately.

Part of a tract of Land, called Hills and Dales, lying in Montgomery county, on the north-west branch of the Eastern Branch of Potomak, about six miles from Bladensburg, and about the same distance from Washington, containing 70 1-4 acres.

Part of another tract, called Crawford's Adventure, lying to the south east of Bladensburg, nearly adjoining the town, and adjoining the lands of the late Richard Henderson, esq. containing 160 acres all in wood. And 83 1-2 acres of valuable Marsh and low land, on the said Eastern Branch, about half a mile below that town, and adjoining the said lands of the late Mr. Henderson.

The House and Lot in Bladensburg, on which the late Mr. Dick resided, containing about six acres; this is one of the best situations in the town, is generally admired, and commands a very extensive view. There is a good garden, ice-house, stable, and all other offices necessary for the accommodation of a private family, and the lot and garden properly inclosed, and all in good order. Should this house, &c. not be sold previous to the 1st of December, it will then be to rent.

One other lot or parcel of ground, adjoining the town lots, near the above mentioned house, and contiguous to the residence of Richard T. Lowndes, esq. containing 9 3-8 acres.

Also, Lot No. 7, in square No. 704, in the City of Washington, being the north-east corner of that square, containing 9588 square feet.

A further description of the property is considered unnecessary, as persons inclined to purchase will doubtless satisfy themselves by viewing the same. Mr. John Hugh, at present residing in Bladensburg, will shew the property, and the terms may be particularly known on application to him, or to

JOHN LAIRD, Trustee.

N. B. I hold 246 1-2 acres of Land, adjoining the above mentioned tract of Hills and Dales, which may be advantageous and desirable for the purchaser of the latter to have—and I will sell the same on similar terms.

GENUINE BITTERS.

Faithfully prepared at the original warehouse London.

TO make any observations here, upon the superior quality of these bitters to any ever offered for sale, is needless; suffice it to say, that they have stood the test of approbation a great number of years.

Gentlemen, who prefer bitters, will find them an elegant and wholesome preparation; and far preferable to the trash generally offered under that name. It is now for the first time, imported in quart bottles, as well as vials, which will reduce the price near one half.

Sold by Rapine, Conrad and Co. Capitol hill, Washington, John March, George Town, Robert and J. Grey, Alexandria, and A. Buck, Fredericksburgh, Virginia.

PROPOSALS

for publishing a periodical work entitled

The Literary Magazine,

AND

AMERICAN REGISTER.

THIS work, if public patronage encourages its prosecution, shall be published monthly.

The number shall be, occasionally ornamented with an engraving, executed by the best artist that can be obtained, and delivered to subscribers at the price of FIFTY CENTS. Each number shall contain, at least, eighty pages in large octavo, and shall comprehend seven departments.

The first department shall include original, moral, literary or scientific performances, and biographical or historical sketches.

The second department shall contain reviews of American publications, and of English works republished here.

The third department shall comprise such extracts, from foreign publications, as shall be considered peculiarly interesting, and deserving the attention of the people of America. The essence, especially of periodical publications, shall be carefully extracted.

The fourth department shall consist of pieces of original or selected poetry.

The fifth department shall include notices of publications preparing for the press; notices of literary characters and incidents; and such portions of information of a scientific, commercial, and agricultural nature, as shall be deemed most remarkable and most deserving of notice.

The sixth department shall contain an accurate detail of political intelligence, foreign and domestic, particularly a clear summary of the proceedings of the Congress of the United States during their session.

The seventh department shall consist of all such interesting or important occurrences, as the passing month shall have produced; such as casualties, crimes, &c. and shall likewise contain as full and accurate a list of marriages and deaths, in the United States, as can be procured.

This work will be published by Messrs. John Conrad, & Co. and will be conducted under the immediate direction of an Editor, who, in addition to his own labours, has received assurances of the assistance of several of the first literary characters in this city and in New-York.

A work of the nature now offered to the attention of the people of the United States, has long been demanded. It is conceived, that, if properly conducted, it would eminently promote the literature of this country, and would prove, in all respects favourable to the gratification of taste and extension of useful information.

The Editor promises, if encouraged by liberal subscriptions, all that his talents and labours can perform toward the successful execution of the work which he has proposed to undertake, and he hopes that this appeal to literary taste, that this desire to diffuse knowledge among all classes of society, will not, like other attempts, which have preceded this, be rendered fruitless, by a cold and depressing reception.

To enable the public to judge of the nature of the publication as soon as possible, the first number will appear in a few days.

Subscriptions received by Rapine, Conrad & Co. Booksellers and Stationers, New-Jersey Avenue, near the Capitol.
