It lies on an excellent stream, a branch of Roanoke river, within four miles of its mouth, from whence is an easy and safe navigation. There are water-falls, stone and timber on the Land for all the purposes of an Iron Work; in the midst of a fine corn country; and about 400 acres of the Land is valuable for its soil. THIRTY THOUSAND DOLLARS will be taken and payment made easy, to the purchaser, for the following valuable property free from any incumbrance whatever.

A SET of saw mills working two saws—a grist mill with two run of stones and bolting machine, also a cotton and rice machine complete all worked by water, also one saw mill about 200 yards from the former and on the same dam, now about finishing that will work from two to fourteen saws under the same roof—this mill is insured for three years after her being completed—they now being in good repair and the whole in a progressive way of improvement, with about Ten thousand acres of land all adjoining and immediately contiguous to the mills, on which are several valuable farms. The timber for mill use are inexhaustible and unexceptionably good—they are situated on the waters of Drowning Creek ninety seven miles from George Town South Carolina, to which place the lumber is carried being rafted at the mills without the trouble of hauling, a valuable convenience. The situation at the mills is high, pleasant and very healthy, on which is a good two story house with piazza, a good kitchen, stables, carriage and harness houses and other necessary out buildings with a new store house compleatly finished, it being an excellent stand for a country store. THE Plantation on which I live, containing about 600 acres of valuable land. The improvements are, an exceeding good dwelling house two stories high, 42 feet long, by 36 feet wide, with a passage through the middle, three rooms below, and four above stairs, with fire places in all but one, and a dry sweet cellar, the size of the house, in which is a capital vault with two rooms, and above is a fine airy pantry. A kitchen 36 by 18, two stories high, with a kitchen and laundry below, and lodging rooms for servants above. A washing house, meat house and dairy and in short every necessary improvement for the accommodation of a family, and a very fine collection of grafted and budded peach trees of the most approved kinds, chiefly from Princes nursery on Long Island, which are just beginning to bear. This property is situated in a healthy genteel neighborhood, about four miles from the city of Washington, five from Alexandria. Nearly one half is in wood and timbered, and the residue arable and meadow land, of the latter, there are about 50 or 60 acres under the scythe and more may be easily laid down. Perhaps no tract of the same size, abounds more in fine springs, there being a never failing stream in every field, besides an abundant one which runs through the meadow and from which the greatest part of it may be watered. Valuable Lands and Lots

FOR SALE.

I Will sell, on liberal terms of payment, to accommodate purchasers, the following Property, bequeathed to me, in trust with power to sell, by the late Mr. Thomas Dick, of Bladensburg, viz.

THE valuable FARM which he had in his own possession, and lands adjoining thereto, containing in the whole upwards of 1300 acres. These lands are situated to the northward of Bladensburg, on the Eastern Branch of Potowmak river, about three miles distant from that town, on a fine level road. From Bladensburg to the City of Washington, by land, the distance is about four miles, and by water five; and the Eastern Branch is navigable for large craft to said town. There is a great abundance of wood on the lands, and they are well watered in every respect; have a considerable quantity of rich bottom, some of which is already in grass. The improvements on the farm are good, and the whole under good fences. These lands can conveniently be laid off into three parcels, with improvements to each, and will sold together or separately.

Part of a tract of Land, called Hills and Dales, lying in Montgomery county, on the north-west branch of the Eastern Branch of Potomak, about six miles from Bladensburg, and about the same distance from Washington, containing 70 1-4 acres.

Part of another tract, called Crawford's Adventure, lying to the south east of Bladensburg, nearly adjoining the town, and adjoining the lands of the late Richard Henderson, esq. containing 160 acres all in wood. And 83 1-2 acres of valuable Marsh and low land, on the said Eastern Branch, about half a mile below that town, and adjoining the said lands of the late Mr. Henderson.

The House and Lot in Bladensburg, on which the late Mr. Dick resided, containing about six acres; this is one of the best situations in the town, is generally admired, and commands a very extensive view. There is a good garden, ice-house, stable, and all other offices necessary for the accommodation of a private family, and the lot and garden properly inclosed, and all in good order. Should this house, &c. not be sold previous to the 1st of December, it will then be to rent.

One other lot or parcel of ground, adjoining the town lots, near the above mentioned house, and contiguous to the residence of Richard T. Lowndes, esq. containing 9 3 8 acres.

Also, Lot No. 7, in square No. 704, in the City of Washington, being the north-east corner of that square, containing 9588 square feet.

A further description of the property is considered unnecessary, as persons inclined to purchase will doubtless satisfy themselves by viewing the same. Mr. John Hugh, at present residing in Bladensburg, will shew the property, and the terms may be particularly known on application to him, or to

JOHN LAIRD, Trustee.

N. B. I hold 246 1-2 acres of Land, adjoining the above mentioned tract of Hills and Dales, which may be advantageous and desirable for the purchaser of the latter to have—and I will sell the same on similar terms.

JOHN LAIRD.

A work of the nature now offered to the attention of the people of the United States, has long been demanded. It is conceived, that, if properly conducted, it would eminently promote the literature of this country, and would prove, in all respects favourable to the gratification of taste and extension of useful information.

The Editor promises, if encouraged by liberal subscriptions, all that his talents and labours can perform toward the successful execution of the work which he has proposed to undertake, and he hopes that this appeal to literary taste, that this desire to diffuse knowledge among all classes of society, will not, like other attempts, which have preceded this, be rendered fruitless, by a cold and depressing reception.

To enable the public to judge of the nature of the publication as soon as possible, the first number will appear in a few days.
