CAUTION.

WHEREAS in the month of September laſt, money was obtained from two gentlemen of my acquaintance in the ſtates of New Jerſey and Delaware, by a perſon who aſſumed the name of James Nicholſon, and called himſelf my brother, I have tho't proper to ſtate, with a view of explaining any other impoſitions of a ſimilar nature which havemay been practiſed, & to prevent ſuch as may be attempted hereafter, that for the laſt four years, my brother James Nicholſon has been but little in the United States, and that he ſailed from Philadelphia in the month of April laſt for Canton, where it is preſumed he now is. One of the letters in which application for money was made, is in my poſſeſſion, and is a palpable forgery.—Printers in the middle States may poſſibly render a ſervice, by inſerting this advertiſement in their papers.

Or New-Orleans Advertiſer and Price-Current."

From which it is propoſed that a Country Paper ſhould emanate once a week.

Conditions of the country paper:

1. "The UNION" will be publiſhed every week, on a ſheet equal in ſize and quality to the daily papers in the Atlantic cities, printed with a ſuitable type.

3. The publication of this paper will commence as ſoon as the materials, which are now on their way to New-Orleans, can be received.

The objects of this paper are—to communicate to our fellow-citizens of the United States, early accounts of the important occurrences in New-Orleans and Louiſiana; to diſſeminate ſuch ſtatiſtical information of that newly acquired territory as may come within our knowledge; to convey to the diſtant merchant and planter, a correct liſt of the prices of the principal articles of produce and merchandize, offered for ſale in New-Orleans; and generally to diffuſe ſuch information as falls within the province of a newſpaper and price-current.

The politician, the merchant, and he who ſeeks for general information, muſt alike be impreſſed with the importance of a well conducted preſs, upon correct principles, at this important point of the union: Under theſe impreſſions, with great deference we ſubmit the above propoſals to our liberal and enlightened fellow-citizens.
