ONE HUNDRED DOLLARS REWARD.

RAN away on the evening of the 7th inst. *a bright Mulatto Man,* named BOB, who calls himself *Robert Thomas,* about 5 feet 10 inches high, 24 or 25 years of age, has large black eye-brows, large full eyes, not very dark, and is a stout, well made, handsome fellow. His hair is thick, but not quite straight, and he wears it nicely trimmed, combed and ridged on the top. His beard appears very black if suffered to grow for a day or two, but he usually shaves it very closely. He has recently received an injury on the fore-finger of the left hand, and has it bound up, and may probably lose the first joint of it. He speaks deliberately, and is more correct in conversation than persons of his color usually are. He walks slowly, is a very good waiter, but delights particularly in attending to horses. He has a variety of cloaths, and took with him one dark green broadcloth coat and pantaloons with yellow buttons, one cloth coat and pantaloons nearly of the same color, but the cloth of inferior quality, with white metal buttons, one blue cloth coat much worn, one old brown surtout coat with covered buttons, a good hat, and a pair of black top boots. The rest of his apparel I am unable particularly to describe. He is fond of wearing boots, and pays great attention to his dress.

As he can read and write very well, he may probably produce a forged authority for him to pass, or procure the certificate of some one of the Negroes, who, a few years ago, petitioned by the name of Thomas, and obtained their freedom in Maryland. If taken out of the state of Maryland and district of Columbia, and secured in any jail, so that I shall get him again, the above reward will be given, or sixty dollars if taken and secured within the said state or district; all reasonable expences will also be paid, if he should be delivered to me in the city of Washington, or to Dr. Richard Duckett, in Prince George's county, Maryland.—He is well acquainted in Annapolis, Baltimore, Geo. Town, and the city of Washington.

ALLEN B. DUCKETT.

Mr. JOSHUA B. BOND's celebrate running HORSE
FIRST CONSUL,

WILL stand this season, at the subscriber's farm in Prince Georges county, Maryland, about seven miles from Queen Anne, ten from Bladensburg, the same distance from Upper Marlborough, and about sixteen miles from the city of Washington; at *Twenty-Five* dollars the season, and one dollar to the groom; but *Twenty-One* dollars will be received in full if sent with the MARES; if the money is not sent with the mares it is requested that notes of hand will be sent at that time, given for Twenty-Six dollars, payable at the expiration of the season, which will commence immediately and end the 1st of August. Good pasture will be furnished gratis, as soon as the grass is good, and in the mean time, hay and corn furnished at the common price, for the mares according to orders. The utmost care will be taken of the mares, but I will not be answerable for accidents or escapes. Consul is of fine figure, beautiful bright bay, with a small blaze in his face, and his hind ancles white; full 15 and 1-2 hands high. It is expected that the stock from Consul and well bred mares, will not be surpassed by the stock from any horse (scarcely) in America, for the turf, carriage, or saddle; or even from Consul and good looking mares, which have none of the running blood; their colts cannot be other than elegant in a carriage or under the saddle.

Such mares as have little, or not any of what is supposed to be running blood in them, may be put to Consul at half price, the money sent with the mares.

If it should be preferred by gentlemen living beyond Bladensburgh and Upper Marlborough, who wish to breed from Consul, by giving notice to the subscriber, he can be sent one day in each week to each place, from the first day of April, while there will be any mares to send to him from either of those directions; say Bladensburg on Tuesday, and Upper Marlborough on Saturday.

ISAAC DUCKETT.

March 12, 1808.

PEDIGREE OF FIRST CONSUL.

HE was foaled in Philadelphia county, June 1798, got by the noted running horse Flag of Truce, his dam by the imported horse Slender, his grandam from the imported mare Dianna, Dianna was got by Old Eclipse, Slender was got by King Herod, who produced more runners than any other horse in England, as may be seen by the Racing Calender, therefore it may in truth be said on the dam side of First Consul, the two great grand sires were the best horses England ever produced. Flag of Truce was bred by colonel Good of Virginia and was esteemed the best turf horse in his day and was the sire to colonel Taylor's famous running horse Leviathen. First Consul has won either 20 or 22 purses from 100l. and 100g. and never started against a horse he did not outrun until the fall he was eight years old—the spring following he won three purses and distanced the field the first day at New Market on Long Island.
