FIFTY DOLLARS REWARD.

RANAWAY from the subscriber living in Montgomery County, Maryland, near the Court House, on Saturday 21st inst. a likely young NEGRO MAN named JACOB, who calls himself JACOB SWAILS, but there is no doubt of his changing his name, as he will persist in a lie to the last extremity. He is about 25 year old—five feet eight or ten inches high, well made, very dark complexion, and full round face; has a scar above the eye and on the great toe, occasioned by a burn. As Jacob is a very artful fellow, and can read and write, it is possible he will, by forging a pass, attempt to pass for a freeman. Whoever apprehends said negro, and delivers him to me, or secures him in jail so that I get him, shall receive the above reward if taken out of the state; if within the state, 25 dollars and all reasonable charges will be paid by

WM. FULKS.

UNITED STATES—DISTRICT OF COLUMBIA, COUNTY OF WASHINGTON, TO WIT:

In Chancery, December Term 1808.

Benjamin Stoddert and John Mason, versus Thomas Waters Griffith, John R. Livingston, Jonathan Burrell, Gobault and Dodrey, James C. Montflorence, I. I. Picaud, James Davidson, Robert R. Livingston and Daniel Parker.

THE bill states that the defendant Thomas Waters Griffith was the agent of the house of Taney and Simmond for the delivery of a cargo of flour belonging to the said Taney and Simmond to the French government—that the French government not being able to pay ready money for the said cargo the balance due thereon from the said government was placed to the credit of the said Griffith the agent, instead of being placed to the credit of the real owners Taney and Simmond; that the debt so due hath been liquidated under the Louisiana Convention in the said Griffith's name, for the sum of one hundred and ninety thousand two hundred and seventy francs French money of the value of 35,675 dollars; that the said Thomas Waters Griffith, now residing and for several years past having resided in Baltimore city in the state of Maryland well knowing all the circumstances mentioned in the complainants said bill, and that the debt aforesaid was liquidated in his name in Paris, under the Louisiana Convention, was in truth and in fact a debt due to the said complainants, as the trustees of Francis Lewis Taney, and Taney and Simmond, did execute a writing transferring all the interest of said Griffith in the said debt due to the complainants as trustees aforesaid; that notwithstanding the above circumstances the said Griffith did employ James C. Montflorence of Paris to receive for his own account and use the aforesaid debt, which actually belongs to the said complainants as trustees aforesaid; & the said Montflorence did actually receive the bills of the Minister of the United States on the Treasury of the United States in part-payment of the said debt in four sets of bills drawn in favor of said Thomas Waters Griffith, and which bills have been fraudulently endorsed by the said Montflorence with a view as the said complainants believe to defraud them the said complainants, and under a real or pretended power from the said Griffith, & as his attorney to the said I. I. Picaud, who endorsed the same over to John R. Livingston who has endorsed the same over to Jonathan Burrell, cashier of the Bank of Discount and Deposit at New York, who has endorsed them over to James Davidson, cashier of the Branch Bank of the United States in the city of Washington, who now holds the same for collection. The complainants further state that four other bills, for the balance of the aforesaid claim on the French Government liquidated in the name of the said Griffith, but actually belonging to said complainants as trustees as aforesaid, have been drawn in favor of Gobault and Dodrey as transferees of Thomas Waters Griffith for thirty-thousand francs French Money of the value of 5,625 dollars, which said four bills have also been sent to the aforesaid James Davidson and endorsed over to him for collection, in the same manner as in the case of the four other bills first herein recited. That all the aforesaid eight bills of exchange drawn by the American Minister at Paris on the Treasury of the United States under the Louisiana Convention for the debt liquidated in the name of Thomas Waters Griffith, are actually the property of said complainants as trustees aforesaid.

The object of the bill is to save and protect the said complainants from the fraud projected against them on the part of the said Thomas Waters Griffith, and his coadjutors, and to obtain a writ of injunction, directed to all the before-mentioned defendants, &c. and particularly to the said James Davidson enjoining him & commanding him, from paying over to any person besides the said complainants, the money that may be paid by the Treasury of the United States, in virtue of the said bills of exchange, and particularly enjoining the said James Davidson from paying the said money arising from the said bills or parting with the said bills, until the further order of this Court in the premises.

It is represented by the complainants that the said Thomas W. Griffith, John R. Livingston, Jonathan Burrell, Gobault and Dodrey, James C. Montflorence and I. I. Picaud, defendants in this cause, all reside out of the District of Columbia, and are not within the reach of the process of this Court.

And whereas further, in the supplemental bill filed in this cause, in which bill the said Robert R. Livingston and Daniel Parker are made defendants, reciting the substance of the said original bill, further states that Daniel Parker, a non-resident of the District of Columbia who resides in Paris in France was concerned in the fraudulent assignment of the bills of exchange mentioned in the said original bill, that the said Parker at the time he procured the assignment of said bills knew that the claim for which the same were drawn as liquidated in the name of Thomas W. Griffith was the bona fide property of the complainants, and had been properly before transferred and assigned to them, and also that the said Robert R. Livingston is not a resident of the said District of Columbia, but resides in the state of New York, and is the person really claiming the proceeds of the said bills, and prays that he may be made a party to said bill and compelled to answer to the facts stated in the original bill—Also that said Parker may state the circumstances, attending the pretended transaction between Picaud and Montflorence the defendants, whether he paid any consideration and what to Picaud & Montflorence, and whether he did not know, or whether he had not received notice of the complainants claim and right at the time of or before the said transfer. The object of the bill is to obtain a decree in favor of the complainants, ordering and decreeing the monies for which said bills are drawn, now in the hands of James Davidson, to be paid over to the said complainants as the assignees of Taney and Taney and Simmond, and to enjoin the defendants and each of them from paying over or receiving the same until the decision of the court in the premises.

It is therefore ordered that the complainants cause a copy of this order to be inserted in the National Intelligencer printed in the city of Washington, six weeks successively previous to the fourth Monday in December next, to the intent that the said defendants may have notice of this application, and of the object of this bill and to be warned to appear in this court in person or by solicitor on or before the said fourth Monday of December next, to [illegible] cause, if any, why a decree should not [illegible] as prayed.

By order WM. BRENT, Clk.
