American Printed goods.

Calicoes Shawls, Pocket Handkerchiefs, &c. manufactured by the subscribers near Baltimore, and sold at No. 13 Calvert street.

TO remove that distrust often felt respecting new undertakings, and so prejudicial to manufacturing attempts in America, they think it proper to observe, that nothing is wanting in the business to enable good artists to perform their work here as well as in Europe. That they have these artists; that two of the partners were bred to the business in a factory of the best repute carried on by their father, long afterwards by themselves. They trust that while foreign goods are received without a question, an unreasonable suspicion will not prevent their countrymen from giving that trial to their goods, which only can prove their value. Besides a natural doubt, they know that certain interests, national as well as well as individual, will suggest objections to their undertaking. They have no difficulty in saying, that work of the like kind shall be as well executed here, as in other countries. The colors capable of being fixed, will be found as permanent: the cloths perhaps better substance, and the prices lower than of the imported cottons.

I DISCOVERED a few days since (in the Telegraphe) a challenge by Samuel Norwood, Esq. Bonaparte against Democrat—

At Annapolis this fall, I proposed running Democrat against Bonaparte, carrying from 110 lbs to 140 at the discretion of Mr. Norwood; which was rejected. As Mr. Norwood refused the proposition made by me at that time, I am not bound to run the race proposed by him in the Telegraphe—Democrat will run Bonaparte over the Anapolis race course, on the third Tuesday in May next, four miles and repeat, for 1000 DOLLARS, play or pay, carrying 126lbs. each; which is the weight they are to carry by the rule of racing, both being seven years last spring—Should Mr. Norwood decline this offer, Democrat will cover mares next spring at the subscribers farm, from the first day of March until the first day of August, at Sixteen dollars each and Fifty cents for the groom. Democrat's pedigree is equal to the pedigree of any horse to be produced, having in him the blood of Medly, Eclipse, Figure, Dove, Godolphin, Arabian, and Mr. Taskin's Selima.

If this proposition is approved of by Mr. Norwood, notice will be given in the Maryland Gazette within forty days from the date hereof.

Stelle's Hotel, on Capitol Hill, Rhodes', near the Treasury Department, and M'Laughlin's George Town, as early as possible, thereby to enable him to judge if sufficient encouragement offers to defray the incurring expence of procuring performers from Baltimore, to assist at the entertainment.
