VALUABLE FARM FOR SALE.

I WILL sell the tract of land on which I reside, called BUSSARD ISLAND, lying on Patuxent river, in Calvert county, and nearly opposite to Benedict, containing by estimation, seven hundred three and a quarter acres of as fertile land as can be found in the state of Maryland, one third of which is in wood and very heavily timbered, and as well watered for the convenience of stock as any tract of its size in the state.

The arable part of this plantation is level and much of it covered with oyster shells, and is divided into three fields, each of which will produce two hundred barrels of corn with a reserve of prime tobacco land sufficient to grow fifty hogsheads of tobacco annually, and with very little labor more meadow may be reclaimed than will be found sufficient. No land can be better adapted to the growth of corn, tobacco and wheat, and few plantations hold out stronger inducements to stimulate an industrious man. It binds for a considerable distance on the river & lies nearly in a square. Fish, oysters, and wild fowl are to be had at all times. Stock of every description, particularly sheep, thrive and improve wonderfully when removed to this land, a convincing proof of the nutritious quality of the grass, which it produces in great abundance. The improvements are sufficient to accommodate a small family.—A more particular description is not necessary, a purchaser will naturally view the premises. My price for the above tract of land is sixteen thousand dollars—one sixth part of the purchase money to be paid on the day of possession, and the balance in five equal annual payments, with interest from the day of sale.

I will sell at public sale on the 20th December next, in the town of Upper Marlborough, all the personal estate on the above premises, consisting of a number of valuable negroes, horses, mules, cattle, sheep & hogs, plantation utensils, household and kitchen furniture on a credit of twelve months, the purchaser giving bond with approved security; for all sums under $ 20 cash will be required.

N.B. If the above tract of Land is not disposed of, it will be for rent the ensuing year.

PRINCIPAL OF AN ACADEMY AND PASTOR WANTED.

THE Rev. W. L. TURNER, Principal of the Raleigh Academy, and Pastor of the city, having signified his intention of resigning his situation at the close of the present session, the Trustees of the Academy and the inhabitants of the city are desirous of procuring a suitable character to supply his place. To a Clergyman of finished education and unexceptionable moral character, a liberal salary will be given, or the whole profits of the Academy (after paying the Assistant Teachers) with a handsome subscription from the inhabitants of the city and neighborhood, for his services as a Preacher.

This Academy has at present one hundred and fifty students, about sixty of which are females, principally in the care of a female teacher, under the superintendance of the principal of the academy (taught in separate buildings erected for the purpose on a four-acre square of the city, granted to the trustees by the Legislature) and the number of students heretofore has annually increased.

Raleigh being the seat of government of North Carolina, a very healthy and pleasant situation, in the hilly country, containing a moral and respectable society, where every necessary of life can be had in plenty on reasonable terms, and where most of the principal inhabitants are guardians of the academy, it is presumed that this seminary will always have a preference to any other academy in the southern states.

A Lady, of talents and acquirements equal to the undertaking, is also wanted to take charge of the Female Department of the Academy; and a Young Gentleman, suitably qualified, as an Assistant Teacher of the Latin and Greek Languages, &c.

Applications for any of these situations, made to the Trustees of the Raleigh Academy, by letter, post paid, will be duly attended to, and immediately answered, and such further information given as may be required.

A GREAT BARGAIN OFFERED

FOR fourteen thousand dollars. I will sell seven hundred acres of Rich Land lying in Calvert county, State of Maryland, beautifully situated on the banks of the river Patuxent and Saint Leonard's Creek, within one easy day's sail of the Baltimore market, and four miles from Saint Leonard's Town post-office.

This Land has on it a commodious two story brick mansion house, lately erected, of the very best materials, with a dry cellar under the whole house, eight good rooms and a large garret—also, kitchen, corn house, stables, two very large barns and many other out-houses all in good repair, and would divide very handsomely into two farms. The soil is equal to any in the state for the culture of Indian corn, tobacco, wheat and clover, and no farm on the river can boast of more constant running springs of water, or better grazing land—about four hundred acres are the most valuable kind of low grounds on the river, the remainder is wavy high Land, very productive, on which stands a plentiful supply of fine red cedar for fencing, oak, hickory and pine for firewood.

The waters here abound in the best of oysters, fish, and wild fowl—the neighborhood is healthy, genteel and agreeable—I will sell the growing crop on the land, furnish hands, &c. to finish the same—also, a good stock of black cattle, horses, sheep and hogs—and give a long credit on two thirds of the purchase money, the interest to be paid annually—the remaining third part thereof must be cash—possession may be had immediately.
