TRADE MARK REGISTERED
7 WEST 45TH ST.

The year 1916 opens up great possibilities to those of us engaged in creating American styles for American women.
COLE Styles originate in American minds and go forth to adorn American women in a fashion best suited to them.
American women—the big majority of them—prefer American made garments.
I am originating styles that please them. I charge prices that compel unusual service, and I give the service that justifies the prices.
The lowest price I charge is $100.

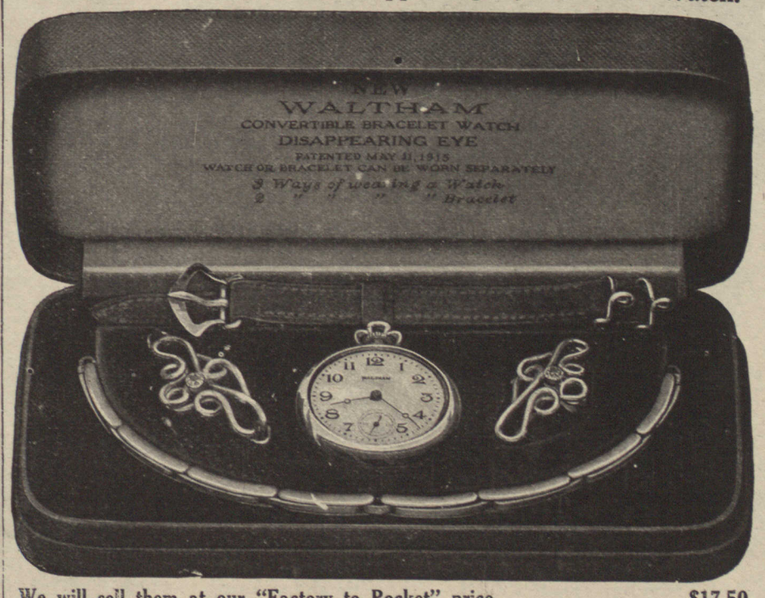
Waltham New Convertible Disappearing Eye Bracelet Watch.



No. B5—This unique five-piece Waltham Convertible Bracelet Watch Combination is something new—the very latest thing in Watch Bracelets, and just what every lady wants, whether young or old. Watch and Bracelet may be worn separately. There are three distinct ways of wearing it as a watch, and two different ways of wearing it as a bracelet.

The many different patented features of this watch, allowing it to be worn as an Expansion Bracelet Watch, as a Chatelaine Brooch Watch, as a Leather Wristlet Watch or on a Sautoire Chain, make it useful for any and all occasions. When worn otherwise than as a Bracelet Watch, its appearance is perfect, and unmarred, this being due to the disappearing eye.

Its stylish appearance and attractiveness, its many uses, its serviceability—the accuracy of the finely jeweled Waltham movement and the beautifully made Gold Filled Case (guaranteed to wear for 20 years) and the novel attachments make this combination set one of the most pleasing gifts of the day, and a continuous reminder of the giver for years to come. This watch will give many years of excellent service and we recommend it in the strongest terms. Fits a large or small wrist as desired. This outfit is sold by many of the leading jewelers throughout the city and country from $20 to $25.

We will sell them at our "Factory to Pocket" price.....$17.50
Others $6 to $50.
