Superintendent's Office,
Washington, 9th August, 1809.

WHEREAS the late Commissioners of the city of Washington, on the 24th December 1793 sold or contracted to sell to Robert Morris & Js. Greenleaf, all the then title, interest and estate of the public in the squares following, among others, in the said city, viz. 626, 628, 684, 687, 723, 726, 727, 729, 758, 760, 782, 786, 789, 814, 816, 818, 841, 843, 866, 868, 895, 897, 899, 918, 919, 922, 923, 943, 966, 967, 968, 970, 972, 992, 1014, 1016, 1037, 1039, 1040, 1062, 1074, 1075, and 1076. Which sale was upon the terms and conditions of a certain stipulated price being paid therefor at certain fixed periods of time subsequent to the contract. And whereas in the course of certain transactions between the said James Greenleaf and the said Robert Morris, and a certain John Nicholson (who had acquired an interest in said squares) and between the said James Greenleaf and Mordecai Lewis and Edward Burd, a certain interest, estate and title of the said Greenleaf, Morris and Nicholson, in and to the same squares, became pledged, by way of mortgage, to the payment of certain debts due to the said Lewis and Burd, respectively. And whereas, the Chancellor of the state of Maryland, in a certain suit lately pending in the Chancery Court of that state, between the executors of the said Mordecai Lewis and the said Edward Burd complainants, and Robert Morris, the heirs of John Nicholson, the Commissioners of the city of Washington, James Greenleaf, Henry Pratt, Thomas W. Francis, John Miller, jr John Ashley, Jacob Baker, George Simpson, William Cranch and Thomas Law, defendants, did, among other things, decree, that all the right, title, and interest, which at the time of executing a certain mortgage mentioned in the bill and proceedings filed and had in the suit aforesaid, was in the said Morris and Nicholson, Thomas Law, and the Commissioners of the city of Washington, in and to 295 lots and 3-4ths of a lot, of 5265 square feet each, contained in the squares before enumerated, should be sold, and the proceeds applied to the payment in the first instance, of the debts due as aforesaid, to the said Lewis and Burd, and the residue of the whole proceeds, if any, to the payment of certain other debt or debts in the said decree mentioned. And whereas E. S. Burd, having been duly appointed and qualified, as a trustee, to carry into effect the said sale, did, by deed bearing date the 23d June, 1809, and recorded in the land records of Washington county in the district of Columbia, for the considerations in said deed mentioned, duly convey to Thomas Morris, Samuel Coates, Joseph Morris and Edward Burd, all the right, title and interest of the said Morris and Nicholson, Thomas Law and the Commissioners of the city of Washington, of, in and to the said 295 3-4th lots, as by the said decree was directed. And whereas, at the time of sale or contract for the sale of the before-enumerated squares by the commissioners, to Morris and Greenleaf, as herein-before recited, the public interest in the said squares, or in any or either of them, was not then specifically ascertained and known, but was to depend on and be determined by a division thereof, to be thereafter made, between the said commissioners and the original proprietors of the land on which the same were laid out, pursuant to law and certain deeds of trust, which had been executed by the said proprietors and others for all their lands lying within the city of Washington, and such division was accordingly afterwards made, by which it appears that no part or portion of four of the said squares, to wit, Nos. 687, 726, 966 and 1016, was allotted or assigned to the public, and consequently no estate therein was passed to the said Morris and Greenleaf by the commissioners, under or by virtue of the said sale. And whereas there are in the public's part or portion of the aforesaid squares obtained on the division aforesaid, and exclusive of the said Nos. 687, 726, 966 and 1016, 68 lots of 5265 square feet each, over and above the said 295 3-4th lots sold as aforesaid by the said E. Burd, pursuant to the decree aforesaid, and whereas the purchasers and grantees of said 295 3-4th lots hold the same in an undivided interest and possession or tenancy in common with each and every person and persons entitled to the said 68 lots. And whereas the purchase money for the said 68 lots has not been paid & satisfied to the said commissioners or to any other person or persons for the use of the public according to the terms and conditions of the sale, and the same having been due for more than thirty days after it ought to have been paid, and for at least two years prior to the first of May 1802, and being still due and unpaid—by reason whereof and by virtue of the statute of the state of Maryland, entitled "A further supplement to the act concerning the Territory of Columbia and the city of Washington," and of the act of Congress, entitled "An act to abolish the board of commissioners in the city of Washington, and for other purposes," the superintendant appointed in pursuance of the said act of Congress is authorised and required to proceed to sell the said 68 lots. Now this is to give notice that the undersigned, the Superintendant appointed as aforesaid shall and will at 11 o'clock A. M. on Monday the 23d day of October next at Rhodes's hotel in the city of Washington aforesaid by reason of the premises and by virtue of the statutes aforesaid, sell to the highest bidder at Public Auction for cash, all the said 68 lots of ground of 5265 square feet each, contained in some or all of the squares above enumerated, except the said four squares Nos. 687, 726, 966 and 1016, the purchaser or purchasers thereof to take and hold the same in an undivided and common possession with the purchasers and grantees of the aforesaid 295 3-4th lots; subject to have the possession severed, and due partition made between the several parties according to their respective interests and proportions by consent or in due course of law.

VALUABLE FARM FOR SALE.

I WILL sell the tract of land on which I reside, called BUSSARD ISLAND, lying on Patuxent river, in Calvert county, and nearly opposite to Benedict, containing by estimation, seven hundred three and a quarter acres of as fertile land as can be found in the state of Maryland, one third of which is in wood and very heavily timbered, and as well watered for the convenience of stock as any tract of its size in the state.

The arable part of this plantation is level and much of it covered with oyster shells, and is divided into three fields, each of which will produce two hundred barrels of corn with a reserve of prime tobacco land sufficient to grow fifty hogsheads of tobacco annually, and with very little labor more meadow may be reclaimed than will be found sufficient. No land can be better adapted to the growth of corn, tobacco and wheat, and few plantations hold out stronger inducements to stimulate an industrious man. It binds for a considerable distance on the river & lies nearly in a square. Fish, oysters, and wild fowl are to be had at all times. Stock of every description, particularly sheep, thrive and improve wonderfully when removed to this land, a convincing proof of the nutricious quality of the grass, which it produces in great abundance. The improvements are sufficient to accommodate a small family.—A more particular description is not necessary, a purchaser will naturally view the premises. My price for the above tract of land is sixteen thousand dollars—one sixth part of the purchase money to be paid on the day of possession, and the balance in five equal annual payments, with interest from the day of sale.

I will sell at public sale on the 20th December next, in the town of Upper Marlborough, all the personal estate on the above premises, consisting of a number of valuable negroes, horses, mules, cattle, sheep & hogs, plantation utensils, household and kitchen furniture on a credit of twelve months, the purchaser giving bond with approved security; for all sums under $ 20 cash will be required.

N. B. If the above tract of Land is not disposed of, it will be for rent the ensuing year

ST. OSYTH contains by estimation seven hundred and fifty acres of Land, between seventy and eighty acres of which are meadow, now fit for the scythe, and capable of being made to produce an hundred tons of hay at a crop—about two hundred and fifty or three hundred are in wood and timber, and the residue arable.
