The above reward will be given to any person who will lodge her in jail so that I get her again, or deliver her to Mr. Samuel Speake city of Washington, or to the subscriber living in Charles county Maryland, near Port Tobacco.

CENTREVILLE ACADEMY.

ON the second day of January next an academy will be opened in this place for the reception of students under the direction of the Rev. Mr. SNYDER, assisted by one or more Ushers.

This Gentleman has conducted different Academies for the space of several years past, with great credit; his department is consonant to his station, and to the accomplishments of the scholar he adds the happy facility of exciting in his pupils the symptoms of literary genius, and to cultivate their mental improvements.

In this institution will be taught the Latin and Greek Languages; the English Language grammatically; Geography, History, Elocution; the various branches of the Mathematics; Writing; Arithmetic and Book Keeping.

There are few places in our country more advantageously situated for an institution of this nature, than this. Its situation is very elevated and the air salubrious; and in the centre of a remarkably healthy neighborhood; the necessaries of life are cheap and may easily be procured. The strictest attention will be paid to the morals of the students both in and out of school.

The terms of Tuition will be; for the Latin and Greek Languages, including Geography, &c 25 DOLLARS; for the Mathematics 20 DOLLARS; for Reading, Writing, and Arithmetic, 14 DOLLARS per annum, paid quarterly in advance. A small contribution will be required from each pupil for the purchase of fire wood.

Centreville, Dec 18——ep

CONFORMABLY to an order issued from the hon. court of Calvert County at September term last, the subscribers will offer at Public Auction on Tuesday the 4th day of February next, if fair, if not the first fair day thereafter, at the late residence of Nathan Smith deceased, at the hour of 12 o'clock,

A valuable Tract of Land

containing Four Hundred and Fourteen acres, and Fourteen Perches.——This truly fertile spot may justly be ranked as first rate land, the soil being extremely rich, capable of producing wheat, hemp, flax, clover, timothy, Indian corn and fine tobacco; the greater part of this beautiful place lies extremely level, and we should do injustice to it, did we neglect to say that few places are equal and none can excel it; the improvements are convenient and in tolerable repair, and as it is presumable those who are inclined to purchase will view the premises previous to the day of sale, it renders a full detail of the improvements unnecessary. This place lies within four miles of Nottingham and about six from Pig Point, has a sufficiency of timber and wood to support it, a tolerable apple orchard, with other fruit trees.

The terms of sale are, that bond and approved security will be required, on the day of sale, payable in two equal payments, the first in twelve, and the second in eighteen months, with yearly interest on the purchase money unpaid, the sale to be subject to the ratification and confirmation of the court, and upon the whole purchase money and interest being paid (and not before) the purchaser or purchasers will receive an indisputable title to the premises so bargained and sold. Possession will be given on the day of sale. This land will be sold altogether or in lots as may appear most conducive to the interest of the representatives.

FOR SALE.

IN the county of Albemarle Virginia, 971 acres of land lying on both sides of Hardware river, generally adapted to small grain corn and tobacco with a great abundance of meadow land. About four hundred acres are cleared most of which are low grounds; and it is perhaps capable of the highest improvement of any land in this part of the world by having an inexhaustable source of rich mud or soil that has been accumulating for ages. The situation is fine, healthy, convenient to two tobacco warehouses, the court house and several merchant mills and in a very respectable neighborhood. Hardware river is capable of being made navigable into James river from several miles above this tract for which there is an act of assembly. There is on the land a large two story dwelling house, almost new and other convenient houses—at about half a mile from which, there is also an old dwelling house, kitchen and store house, that may be made with some repairs capable of accommodating a genteel family. There is also on the premises between 90 and 100 000 bricks well burn: which will be disposed of on reasonable terms. The payments required will be one third cash and the remainder at two equal annual instalments. Any person wishing to purchase or view the said land will apply to the subscriber living on the premises.

IRON WORKS
ON POTOMAC.

The Subscriber has for Sale or Rent, a good seat for a Furnace upon the North Branch of Potomac in Hampshire county, with plenty of ore already investigated at considerable expence and found to be good, a constant and sufficient stream with upwards of 30 feet fall, and the wood of more than 9000 acres of well timbered land; enough of which is arrable to form a complete establishment. Connected with this may also be rented the forge built by Mr. John Potts at the Great Falls of Potomac, now the property of the subscriber. It is conceived that these two seats are particularly worthy of the notice of Iron Masters of capital; as they are fully adequate to the supply of Iron, in its various forms, to an extensive country, having great demand for that article, both above and below the Blue Ridge. The Hampshire property is free from every incumbrance, and the payment of a very few thousand dollars due to the proprietor of the fee simple at the Great Falls (my lease of which is for upwards of 900 years at a low rent) for rents in arrears prior to my purchase, will render this property clear; and afford a complete establishment for all the various manufactures of Iron, as well as for mills, with a convenient farm, &c. &c.

I have seats equally eligible (if not superior) for furnace and forge, upon the river Shanandoah in this county, with ore, wood, and water, all convenient and abundant: which may be rented for a long term of years, with rich farming land attached thereto.
