### The Nestlé Permanent Hair Wave

With the coming of Fall and its attendant demand on your time and energy, the constant trips to the so-called hairdresser become a source of worry and annoyance. A Nestlé Permanent Hair Wave at this time will make these trips unnecessary. The hair will not only be wonderfully wavy but physically benefited, and these results are strictly guaranteed. The Nestlé Treatment takes but two hours including the two required shampoos, and there is absolutely no danger of any injury to the hair.
