Scope and Content

The 1977 Neptune Plaza Concert Series Collection consists of manuscript and print materials, audio recordings, and graphic materials that document the 1977 concert series sponsored by the American Folklife Center. The annual series, which began in 1977, features the presentation of folk traditions from many cultures. The concerts took place on the Neptune Plaza at the front of the Jefferson Building of the Library of Congress between April and October. Adverse weather conditions sometimes forced the concerts indoors. The 1977 series was produced with the assistance of the National Council for the Traditional Arts.

The 1977 season consisted of the following:

Date	Performers	Place of Origin	Subject
April 25	Bluegrass Cardinals	Virginia	Bluegrass music
May 23	John Jackson	Virginia	Blues music
June 8	Southern Mountain Boys	Delaware	Bluegrass music
