The first coffee advertisement ever printed

"In Bartholomew's Lane, on the back side of the old Exchange, there is a drink called 'Coffee', which is a very wholesome, physical drink, having many excellent virtues, fortifies the heart within, helpeth digestion, quickeneth the spirit, maketh the heart lighter, is good against many ills, and is sold both in the morning and at three o'clock in the afternoon."

This novel announcement was printed in the "Publick Advertiser" of London, in the year 1657.

I INSIST THAT YOU STOP MAKING YOUR SKIN COARSE. Russian families for many generations have used native Powdered Pine, direct from the forest, on their babies, on the children and themselves. This accounts for the noticeable smoothness and fine texture of their skin all through life.

SELMA'S RUSSIAN TALCUM POWDER combines Powdered Pine, Italian Floats, Zinc Stearate and other unusual ingredients, exactly as found in the original Russian formula. Ask your physician his opinion of these ingredients. Thousands of discriminating American families are using this famous Toilet Powder exclusively. They find it more pure and perfect.
