ladies and maidens are renowned for the beauty and length of their hair. In childhood they are taught to use certain rare Oriental Hair Oils, Vegetable Herbs and Steeped Peppers. This accounts for their "hair beauty" all through life.

### Selma's Russian Scalp Tonic (45c, 65c, \$1.00)

combines the ingredients mentioned above, exactly as in the original Russian formula. For thirteen consecutive years thousands of American men and women have used it exclusively because it does its work perfectly. Other genuine Russian formulas include:

**SELMA'S RUSSIAN HAIR GROWER (40c and 75c)**  
**SELMA'S RUSSIAN PINE SHAMPOO (25c and 50c)**  
**SELMA'S RUSSIAN BRILLIANTINE (35 cents)**

## The flavor of Yuban distinguishes it from all other coffees

In producing Yuban, cost was not considered. The whole effort was concentrated on securing the one coffee in the world that would be the most delicious.

On securing a coffee that everyone would acknowledge to be unequalled. After testing every known coffee, Yuban was chosen.

It had such a sparkling color. It had the full-of-flavor liquor which every true coffee lover seeks.

No other coffee had in so marked a degree, the aromatic fragrance which makes coffee the delight it is.

It is the magnitude of their business that enables Arbuckle Brothers to sell this coffee at the price usually paid for ordinary coffees. They are the largest coffee merchants in the world and have established foreign branches in the chief coffee producing countries.

It is owing to their advantages, that they are able to supply a coffee of this quality at this price.
