Hathaway Gift Pieces

The two pieces illustrated are specials in the most emphatic sense. Seldom, if ever, have we been able to offer such value as the Solid Mahogany Secretary. The Mahogany is carefully selected; the construction perfect in every detail; the design and finish highly attractive. Its height is 64 inches; its width 32. The Table also is Mahogany throughout, of most excellent design, workmanship and finish. The top measures 30 by 48 inches.

Landay Service doesn't relax one bit because they're busy—indeed! more care than ever is exercised—every instrument and record is carefully tested before it is shipped.
