A QUAIN SUITE, rather subdued for Chippendale, with the Chinese influence expressed in the fretwork on the front framing. There is a peculiar charm in the harmony of the whole treatment. The old curves that outline the back and the roll of the arms are suggestive of the Orient. Finely upholstered and covered with some rich Tapestry or Brocade, this suite becomes strikingly individual in tone and a quantity delightful furnishing. We carry a large assortment of Exclusive Furniture for every room. All Upholstery and Drapery done in our own shop. We guarantee entire satisfaction with every piece of furniture that leaves our premises.
