**Six button holes do for silk stockings what double-tips did for silk gloves**

The new Kayser invention—the But-i-nol Silk Stocking—consists of six strong buttonholes worked in the tops of Kayser Silk Stockings.

The garters clasping through the buttonholes cannot tear these exquisite stockings, and the chances of a "run" are eliminated.

Your garters may be shortened or lengthened so that the buttonholes come in just the right place—neither too loose nor too tight. The pad fits the buttonhole so snugly that it can't be shaken loose. The stocking stays trim and neat. Every woman who has tested them says that they are the greatest, most needed improvement made in any article of women's apparel since Julius Kayser & Co. introduced the double tips on silk gloves.

Cost no more—made in all colors and extra sizes for large women.

Neilson-Terry, England's noted actress, writes—

Edward Lassere, Inc., New York.

Kindly send me six bottles of Wincarnis and let me know where I can obtain it outside of New York. I am so very glad to learn that this wonderful English tonic is for sale in this great country.

Yours very truly,  
Phyllis Neilson-Terry.

**Wherever English people go they ask for Wincarnis**

Although Wincarnis has only recently been introduced in the United States, this famous tonic has been popular in Europe for more than thirty years.

When Phyllis Neilson-Terry arrived in New York on her first trip to America, she immediately placed an order for Wincarnis.

Is your work like that of Miss Neilson-Terry; is it of a nature that consumes nervous energy? Does the constant strain wear you out?

The vitality you need comes only through bodily strength and steady nerves.

This vitality you must get from your food. Your body and brain cannot give you what you do not give them.

Your problem is to find some form of food which will meet the demands of your system, some food whose elements will furnish the necessary physical, mental and nervous energy.

Wincarnis is a liquid tonic-food. There are no drugs in it. Here are its three and only ingredients:

Extract of Beef; Extract of Malt, and a specially selected tonic Wine of a famous vintage.

The Famous English Tonic Prepared in Norwich, England by Coleman & Co., Ltd., Contractors to His Majesty's Forces and to the Royal Army Medical Corps.

Although Wincarnis has already a large sale in the U. S. and Canada, and is distributed in most of the principal cities—if your dealer does not carry it, write for complete list of dealers to

Edward Lassere, Inc., U. S. Agents, 400 West 23d Street, New York.

These three ingredients, all foods of the highest value, are combined by an original process, which retains and enhances their health-giving properties in a palatable and easily digestible form.

If you are working under tremendous pressure and mental strain, if you feel nervous and run down Try a short course of Wincarnis.

Remember that physicians prescribe Wincarnis because they know from experience of many years that it always justifies the claims made for it.

You can satisfy yourself of the merits of Wincarnis at our expense. Sample bottle with 24-page booklet, "How to Get Well," sent for 10 cents, to cover cost of packing and forwarding. The sample itself is free. Use the coupon below.

Booklet free on request. Two Sizes: \$1.50 and 85c.
