Take It With You On Your Vacation  
Erect It Wherever You Wish

Somewhere in your rambles you have found the ideal spot for a summer or year-around home.

And perhaps you have thought "If I could only afford to build right here, how delightful it would be. But it's too expensive for me now." But you do *not* have to wait; you can have that home *right now*, with none of the bother of building and at surprisingly small expense. Buy one of these

## Bossert Houses

If you can't buy the land, possibly you can rent it, put a Bossert House on it, stay as long as you wish and remove your house when you please.

sible to have your house months in advance of the usual way of building "piecemeal" on the spot.

Bossert Houses are ready-constructed. You put them up or unassemble in sections, all conveniently planned and made ready for you in our 32-acre plant.

But do not confuse Bossert Houses with the cheaply built, "knock-down" houses you often see.

The Bossert system of centralizing all the sawing, fitting, and finishing of each section at the factory saves you many a dollar and makes it pos-

A Bossert House, first of all, has *individuality*, not that factory-made look which says "I'm but one of thousands just like me." A Bossert House reflects your own ideas and personality. We have standardized, not the house, but the *method of construction*.

**The Nestlé Permanent Hair Wave**

Nestlé's is the only establishment in existence that specializes in permanent hair-waving. We have during twelve years of progress established the fact that the Nestlé-wave, if conscientiously and skillfully applied, which it always is at our own establishment, that it is not only absolutely harmless, but of actual benefit to the hair development. We give the most extended guarantee—we take every responsibility. 60,000 heads of hair have been treated by the inventor and his staff.

The Nestlé process and implements are patented.
