"Somewhere at Sunrise"—Riesenberg

Christy *Eckhardt* *Haskell Coffin*

Send for Swift's "Premium" Calendar-1918

Four great patriotic paintings by
A. W. Eckhardt *"Wigwag Signals"*
Sydney H. Riesenberg *"Somewhere at Sunrise"*
Haskell Coffin *"The Girl I Leave Behind Me"*
Howard Chandler Christy *"When Sammy Comes Marching Home"*

Have these beautiful pictures in your home

HAVE for your own this great sailor painting by Mr. Riesenberg.

See Mr. Christy's painting of the time when our Marines shall march victoriously up our streets again. See the sad, brave leave-taking of Haskell Coffin's soldier and sweetheart. Thrill over our daring Aviation Corps as does the charming girl in Mr. Eckhardt's picture.

This is the finest calendar of all the famous Swift series, for in these splendid paintings the strong national feeling of the hour has inspired four of our country's greatest artists.

Paintings beautifully reproduced in colors

The remarkable color printing makes it seem almost as though you had the original painting.

And on the back of each picture are dozens of facts you want to know about each branch of the service—how to recognize a lieutenant when you see one, a captain, a major, an ensign, a boatswain—and to what branch of the service he belongs.

Wigwag signals—how to give warning of the enemy's approach. The different types of battleships, cruisers, torpedo boats, destroyers, submarines. And the greatest wonder of the Great War—the airplanes, monoplanes, biplanes, observation balloons.

Each picture is ten and a half inches high, the whole calendar fifteen inches. There is no advertising on the front. The beauty of this calendar will delight you. You will use it constantly to learn new facts about our soldiers and sailors. Send for it today.

How to get this calendar

DANERSK OLD-TIME TRADITIONS

live anew in the lovely reproductions of English and Colonial pieces made in our shops. For bedrooms in town, apartment or country house, good cheer and happiness are assured in the lovely colors of our Old Venetian finishes to go with your selection of block print or wall paper.

A timely question: Am I justified in making purchases for my home now? Today, more than ever before, we owe it to ourselves and to our families to suppress emotions of undue extravagance. In these days of sober, serious thought it is vital that we maintain our cheerfulness and courage; that we look life and our pocketbooks squarely in the face; and that we make our homes places where courage, poise and calmness of judgment are the rule. Without extravagance and yet without fear we should continue to do that which is only just and reasonable in keeping our houses well furnished and in expressing our own individuality in the color and form of the things that we have about us. Let us plan for the future; let us have joyful thoughts and go forward with that calm determination which has never yet failed us.

Our message for today is **the greatest possible individuality for the least possible cost.**

SKIN BLEMISHES

How to correct them

In trying to rid your skin of blemishes and unsightly spots, have you reckoned with the most frequent cause of these troubles?

Skin specialists are tracing fewer and fewer troubles to the blood—more to bacteria and parasites that are carried into the pores of the skin with dust, soot and grime. The following local treatment will clear your skin of any blemishes caused by this most powerful and persistent enemy.

Just before retiring, wash in your usual way with Woodbury's Facial Soap and warm water, finishing with a dash of cold water. Then did the tips of your fingers in warm water and rub them on the cake of Woodbury's until they are covered with a heavy cream-like lather. Cover each blemish with a thick coat of this and leave it on for ten or fifteen minutes. Then rinse very carefully with clear, hot water, then with cold.

Woodbury's Facial Soap is the work of a skin specialist. Repeat this cleansing, antiseptic treatment with it every night until the blemishes disappear.

Use Woodbury's regularly thereafter in your daily toilet. This will make your skin so strong and active that it will resist the frequent cause of blemishes and keep your complexion free from them.

A 25c cake of Woodbury's is sufficient for a month or six weeks of this treatment and daily use. Get a cake today and bring at once to your skin that greater clearness, freshness and *charm* you have longed for. Woodbury's is for sale by druggists and toilet counters everywhere throughout the United States and Canada.

Write today for a week's size cake

For 5c we will send you a sample cake of Woodbury's Facial Soap large enough to last for a week of any Woodbury treatment, together with the booklet, "A Skin You Love to Touch," which gives a list of skin troubles and the treatment suited to each. Send today to **The Andrew Jergens Co., 5,117 Spring Grove Avenue, Cincinnati, Ohio.**

If you live in Canada address The Andrew Jergens Co., Ltd., 5,117 Sherbrooke Street, Perth, Ontario.
