**Here's the Newest Xmas Idea!**

Two, in fact, and both approved not only by common sense but by the example of leaders of society like Mrs. Robert Bacon, Irving Brook, and others. (1) Instead of buying a dead Xmas tree to be thrown on the ash-heap "the morning after," buy a live Xmas tree and after the gifts are distributed have a "planting bee" and let the children plant the tree on the lawn, naming it after Grandma or some other member of the family. Repeating this each Xmas will give you a notable collection of trees rich in sentimental associations. Order a Douglas Spruce, 5 ft. high, \$4; or a Japanese Fir (fragrant balsam odor), 5 ft., \$8; 6 ft., \$15; 8 to 10 ft., \$20. Sent by express anywhere—but order NOW.

(2) Give something really distinctive and lasting for Xmas. Give your married daughter a group of evergreens (always cozy, always smiling) for a corner of her lawn ("Daddy's Cove"). Similar gifts for Wife, Mother, Sister, etc. We select trees for any price you name, \$10 to \$100, and up. Choice Evergreen Group, 32 plants, \$36. Brilliant Shrub Group, 20 plants, \$5. Rose Garden, \$5, \$10, and up. Fruit Garden, 13 trees, \$6; others, \$5, \$10, and up. Send us list of names, state amount and wishes for each gift—we will send Xmas Certificates, naming the gifts, "Cove of Evergreens," "Fruit Garden," etc. (no prices), to be planted after their own wishes in the spring (we look after everything—guarantee perfect growth—relieve you of all bother). The sweetness of these unique gifts will last forever.

Make up your list and write us as quickly as possible—and order your own Xmas tree at once (wire collect if necessary).
