The New Art of Correct Corsetry

New fashions demand new corsets. Soft silks and lovely clinging satins will be the favored fabrics of the Spring. These figure-revealing materials make it imperative that you should have a corset which will give you swinging, graceful lines.

The new R & G Corsets will delight you. Exquisitely made from handsome materials—every detail in their workmanship cleverly planned. They give you the long, slender figure lines which the new Spring fashions demand.

NEW SPRING MODELS

R&G CORSETS

Model A A 496—A comfortable topless corset for slender figures. Elastic top and inserts at back. White or pink coutille.

Model B 512—A splendid corset for the average figure. Three inch bust. Fine quality pink coutille. Short front clasp.

Model E 530—Designed for full figures. Reinforced front. Long skirt. Wedge clasp gives added strength. White or pink coutille.

Model B 1232—Dainty laced-front for average figures. Elastic band at back gives straight line. Free hips. Pink coutille.
