Must She Miss The Wonder of Good Music?
Will you doom her to that incomplete, uncolored life that the lack of music must compel?
Or, shall her mind be cultured, her artistic tastes developed, her love of the beautiful encouraged, perfecting the charm of her womanhood?
The study of the best composers, through the medium of a fine piano, will help her to harmonize the incongruities of life and to find true happiness in self-expression.
Wissner Pianos have been selected by celebrated artists for their personal use. The best is none too good for your daughter. Their purity of tone and excellence of workmanship are as perfect to-day as they were forty years ago. A Wissner Piano will last her a lifetime—and longer.
