The Nestlé Permanent Hair Wave

The approbation of public opinion has been given in full measure to the Nestlé Permanent Hair Wave. At first skeptical on account of the many unsatisfactory and harmful permanent hair waves on the market, the public is now confident of the results we claim for the Nestlé Treatment. This is evidenced by the tremendous and ever-increasing growth of our business.

The guaranteed results of the Nestlé Permanent Hair Wave Treatment are briefly—The hair is made wonderfully wavy and is also physically benefited. There is absolutely no danger of any injury to the hair. The treatment is quick and pleasant, but two hours being necessary, including the two required shampoos.

An Illustrated Booklet Is Gratis.
