

To the left—Lieut. Col. de la Grange, head of the French aero mission to the U. S. and thrice winner of the Croix de Guerre. Above—Mme. de la Grange, who has been exceedingly popular at Washington's entertainments given in honor of the allied commissions.

© Harris & Ewins, from Paul Thompson.

On the right—Marion Davies, late of the "Oh Boy" Company, pauses a minute from work on her first film, "Runaway Romany," to pose for a "still."

The soldiers of Italy stage a movie thriller in the Alps. Maciste, the giant slave in d'Annunzio's "Cabiria," now an enlisted man in the Italian army is the star around which "The Warrior" is filmed. Many of the 610 thrill-

ing scenes in this battle drama were actually staged on the Austro-Italian front and under the direct supervision of the Italian government. "The Warrior" opened in New York last week.

Service Landay BROS.

The Most Conspicuous Retail Victrola House in America.

With the same renowned Victorolas, with the same superb Victor records as are sold by scores of other stores; why has Landay grown out of one small second-floor shop into four palatial temples of music?

There can be but one answer—"Service."

Every facility for selecting just the instrument you wish; for hearing just the record you love; these are the things that have made so many thousands of Metropolitan music lovers think of Landay, when they dream of owning a Victrola.

Come to any of the Landay stores and spend—not money—but an hour. And then, if you long to have a Victrola of your own, we will tell you how easy it is to buy at Landay's.

For \$5.00 down we will deliver to your home the \$100 Victrola pictured below (Style XI), together with \$5 worth of any records you choose. The balance may be paid in such small instalments you will never miss them.

Don't Miss These Very Low Prices

Introductory Sale of the New All-Metal Refrigerator, Built by the World's Greatest Makers

To meet the damp and humid climatic conditions encountered in West Indian and Central American export trade, the manufacturers of the world-famous Bohn Syphon and Sanitor Refrigerators recently perfected an entirely new type—the

IDEAL REFRIGERATOR All Metal—Inside and Out

The new metal construction has been a success from the start in the field for which it was designed. Investigation has convinced the makers that the same features which have established its success in the moist southern climates recommend the IDEAL as a superior type of Refrigerator in a climate such as prevails on our Atlantic Coast.

Specialty Low Introductory Prices

A limited number, comprising nine sizes, are offered for a short time at sharp reductions from the list. For example:

Model 23 (Illustrated); 36x20 1/2 x 49 1/4; 150 lbs. ice capacity; \$45 list price, \$69.00; now.....\$45

IDEAL REFRIGERATORS have in most respects the same construction as the famous Bohn Syphon Refrigerators—One-piece, round-cornered, fused porcelain-steel lining; maximum insulation; front drain, etc. Low temperature ensures ice economy. The metal exterior is finished in white enamel—instantly cleaned by wiping with a damp cloth.

Held for future delivery on payment of deposit.
