Tonight it is the secret of Pompeian BEAUTY Powder; the powder that adheres softly and smoothly to face and neck, imparting an exquisite pearly lustre to the skin. At the same time it captivates the senses with its elusive perfume.

Pompeian BEAUTY Powder is in three shades—white, flesh, and brunette. One of these will blend perfectly with your complexion, giving it a natural, fresh tone that is unusually lasting because of the scientifically chosen ingredients. Price 50 cents the box at the stores.

Pompeian DAY Cream

is a delightfully perfumed vanishing cream that is invaluable as a foundation before applying Pompeian BEAUTY Powder. Pompeian DAY Cream also protects the skin, keeping it smooth and soft and supple. 50 cent jars at the stores.

This vanishing cream should be on every woman's dressing-table along with Pompeian NIGHT Cream, which is used upon retiring, and Pompeian MASSAGE Cream, which is used to exercise the facial muscles. Pompeian BLOOM is a safe rouge, in three shades—light, dark, and medium (the popular shade).
