Radium and Beauty

AN ever-flowing Fountain of Youth and Beauty has at last been found in the Energy Rays of Radium. When scientists discovered Radium they hardly dreamed they had unearthed a revolutionary "Beauty Secret." They know it now. Radium Rays vitalize and energize all living tissue. This Energy has been turned to Beauty's aid. Each and every "Radium" Toilet Requisite contains a definite quantity of Actual Radium. (See "Radium" \$5,000 GUARANTEE.)

Radium preparations are exquisitely dainty. Their use is delightful. You will revel in the silky softness of the Face Cream (Peau de Velour and Vanishing Cream)—the downy, velvety Powders (Face, Compact and Talcum)—the luxurious and vigorous Hair Tonic—the dainty Rouge—the healthful, comforting Skin Soap. You will be fascinated by the mysterious "Radium" Fragrance. It is an exclusive perfume, not sold in any market. As toilet preparations you will pronounce them perfect. With the vitalizing Energy of Radium added, you will find them the greatest of all aids to Beauty. Many women will be delighted especially by "Radium" Clin and Forehead Pads (daintily silk covered in blue and pink). They tone up the sagging muscles that cause wrinkles, double chin and unshapely contours. These pads are merely to be worn loosely, with comfort, during rest or sleep. The action of Radium, not tightness, produces results.
