

"There are blessed intervals when I forget, by one means or another, that I am the President of the United States. One means by which I forget is to get a rattling good detective story, get after some imaginary offender and chase him all over."—WOODROW WILSON.

"I did a whole lot of reading. I particularly enjoyed half a dozen rattling good detective stories by Arthur B. Reeve—some of them were corkers."—THEODORE ROOSEVELT

Forget Yourself in a Good Detective Story

Get fresh strength for the problems of world readjustment. Get for yourself a thousand nights of pleasure and forgetfulness---of thrills and excitement---by reading ARTHUR B. REEVE.

The American Conan Doyle

ARTHUR B. REEVE (CRAIG KENNEDY) The American Sherlock Holmes

He is the genius of our age. He has taken science—science that stands for this age—and allied it to the mystery and romance of detective fiction. Even to the smallest detail, every bit of the plot is worked out scientifically.

For nearly ten years America has been watching this Craig Kennedy—marveling at the strange, new, startling things that detective-hero would unfold. Even under the stress of war England read him as she never did before.

Such plots—such suspense—with real vivid people moving through the maelstrom of life! Frenchmen have mastered the art of terror stories. English writers have thrilled whole nations by their artful heroes. But—all these seem old-fashioned—out-of-date—beside the infinite variety—the weird excitement of Arthur B. Reeve's tales.
