Christmas Gifts Made Easy by the MARVEL
This Handbag Was Embroidered in
Less Than One Hour by
Virginia Soule

THIS year Fashion says hand embroidery. Blouses, gowns, handbags—even hats—every accessory of the smart woman's dress, to be up-to-the-minute, must be rich with embroidery. And, of course, to be really fine, it must be hand embroidery.

And that's the problem. Materials are so expensive this year that to buy hand embroidery besides would make your clothes cost a fortune. And it is so difficult—so tedious—to do it yourself. That is, it used to be.

But now, all those difficulties—all those expenses—just melt into thin air. You can do it with a

MARVEL
HAND EMBROIDERER

It is just what its name implies—MARVEL. It is a simple little device that does the most exquisite hand embroidery in no time at all—in fact, it will do it as quickly as your eye can follow the pattern. The Marvel embroiders any pattern, on any kind of material, from the finest Georgette blouse to the heaviest velvet hat, in any color or combination of colors, in any kind of silk, yarn, cotton or chenille.

And to show the women of New York just how it is done—how easily and rapidly it can be done,

WE INVITE YOU To See for Yourself

There is always a group of fascinated women around the glass cases at 309 Fifth Avenue, just below the Waldorf-Astoria. These are the show rooms of this wonderful device which is revolutionizing the needle-work of the world.

Come and see how it is done—any time. You can see the exquisite work the MARVEL does, growing under your very eyes. We will show you gladly how, in fifteen minutes, you can embroider heavy raised monograms on your linen—how, in an unbelievably short time, you can embroider any design you may choose on your blouse, your hat, your bag, your gown.

Come in to-morrow and learn all about the MARVEL HAND EMBROIDERER—let us show you how you can save time and money. Or you can send for our free booklet, which tells all about the MARVEL. If you wish, you can send us the price, \$5.50, and we will at once send you the MARVEL, an assortment of needles, the embroidery frame, and full book of instructions—in fact, everything you need except the material itself, to produce embroidery more beautiful than you have ever been able to own. Don't delay—send for your MARVEL now. It will solve your Christmas problem once and for all.
